

Elkhorn Public Schools

Dear Parents,

The Elkhorn Public Schools is pleased to announce a new program called *e~Funds For Schools* which will begin February 1st, 2006.

This program will allow you to choose several payment options for your students lunch account. You will have the ability to have payments automatically withdrawn electronically from your checking account **or** charged to your credit card, you also have the flexibility to pay at anytime using the link on school's website. There is a convenience fee for using this program.

Parents can make unlimited electronic payments from their **checking account @** \$1.00 a month per child for the entire school year. For example if you enrolled in January and had two children in your family account then the fee would be \$10.00 based on a January thru May schedule.

Or.... instead.... parents can choose the option to be charged a flat \$1.00 fee each time a payment is made to their family lunch account. (This may be a better value for families with more than one student.) Because we have a Family Lunch system, payments for the entire family can be made through one student.

If you choose the **credit card** payment method there is a different **convenience fee**. It is based upon the ranges of amounts listed in the table below.

FROM	TO	CONVENIENCE FEE
.01	\$25.00	\$1.25
\$25.01	\$50.00	\$2.00
\$50.01	\$75.00	\$2.75
\$75.01	\$100.00	\$3.50
\$100.01	\$150.00	\$4.50

* Please note that a Debit card is treated as a credit card transaction and will be subject to the credit card usage fee.

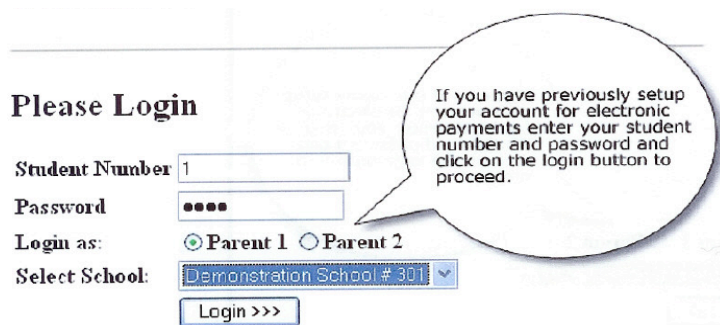

The convenience and flexibility of *e-Funds For Schools* will help to eliminate last minute check writing hassles and improve efficiencies with your student lunch account. Plus, you will no longer need to worry that your children could lose or forget the money intended for deposit in the school lunch program. Please check with the lunch program for posting dates and times that your student's account will be credited.

You are in full control of your account and can make a payment at any time that is convenient for you. **No payments will be allowed without your knowledge and authorization through this secure payment system.** By providing your home and/or work email address, an email notification informing you of the student's name, purpose of the payment, and the amount of payment will be sent to you each time that a payment is to be processed.

To sign up for on-line payment access and to make payments, you need to connect to the following web address: <http://eps.mvpbanking.com/cgi-bin/efs/login.pl?access=55040>

Your student login number will be the same as your WordWare Family ID number.

You will create your own password for your account.
