

## NOVEMBER Topics for 12<sup>th</sup> Grade TA

### NOVEMBER

- Deadline for December ACT is approaching—last test accepted for most college admissions and scholarship applications. Please encourage all seniors to sign up for this test if they haven't already taken the ACT.
- Continue to make contact with each student about grades.
- Email counselors with names of students with whom you have concerns (just an FYI for counselors).
- Encourage seniors to be checking Naviance once a week to check for any scholarships that are applicable to them.
