

The background is a dark, almost black, surface with numerous water droplets of various sizes scattered across it. The droplets are rendered with realistic shading and highlights, giving them a three-dimensional appearance. Some droplets are large and prominent, while others are small and subtle. The overall effect is a clean, modern, and slightly abstract aesthetic.

The screenshot displays the Naviance Student interface. At the top, a teal navigation bar contains the text "Naviance | Student" on the left and "Home", "College", "Careers", "About Me", and "My Planner" on the right. A red arrow points to the "Careers" link in this bar. Below the navigation bar, the page is divided into two main sections. The left section, titled "Quick Links", includes a sub-section "EXPLORE CAREERS" with two links: "Favorite careers and clusters" and "Explore careers and clusters". The right section, titled "My Favorite Careers and Clusters", contains a message: "You don't have any favorite careers and clusters. Explore Careers and Clusters and Clusters. They'll show up here." Below this message is a "Show Types" dropdown menu currently set to "All Types". A second red arrow points to the "CAREERS I'm thinking about" option in the dropdown menu that appears when "Careers" is clicked. This menu also includes options for "CAREERS Home", "EXPLORE Careers, Clusters and Pathways", and "ROADTRIP NATION Interview archive", along with a button for "Explore Careers and Interests" with a right-pointing arrow.

Job Description

Analyze financial information and prepare financial reports to determine or maintain record of assets, liabilities, profit and loss, tax liability, or other financial activities within an organization.

Interests - Holland Interest Code ICR

Conventional Conventional occupations frequently involve following set procedures and routines. These occupations can include working with data and details more than with ideas. Usually there is a clear line of authority to follow.	Enterprising Enterprising occupations frequently involve starting up and carrying out projects. These occupations can involve leading people and making many decisions. Sometimes they require risk taking and often deal with business.	Investigative Investigative occupations frequently involve working with ideas, and require an extensive amount of thinking. These occupations can involve searching for facts and figuring out problems mentally.
