From the office of the Principal.....Mark Kalvoda

The Nebraska Department of Education has moved away from NeSA testing at the high school level, instead all Juniors will take the ACT test during school on Wednesday, April 19th. We are excited about this change as it allows our students and staff to hone in on one assessment that is truly meaningful for our students' post-secondary plans.

Elkhorn South High School will administer the ACT for all Juniors during the state prescribed testing day on Wednesday, April 19th. We will also use this day for Pre-ACT for our Freshmen and Sophomores. These tests serve as a measuring stick for not only our students, but also for our teachers and our curriculum. The data gleaned from these assessments provides individual progress for each individual student, but also provides useful data to inform our instruction and aligns our curriculum with ACT standards. These assessments provide critical information, thus please encourage your students to give their very best effort so accurate information is revealed.

Wednesday, April 19th Testing Details:

- School is not in session for Seniors.
- All students should arrive no later than 7:45am
- Test Start Time: 8:10am
- Freshmen and Sophomores will be dismissed for the day at approximately 11:45am.
- Juniors will be dismissed for the day at approximately 1:00pm.
- No lunches will be served.
- Students will be provided a snack during break.

<p><u>Juniors Testing Schedule:</u></p> <p>Check-in: **BRING ID's** 15 minutes</p> <p>English: 75 question, 45 minutes</p> <p>Math: 60 questions, 60 minutes</p> <p>Break</p> <p>Reading: 40 questions, 35 minutes</p> <p>Science: 40 questions, 35 minutes</p> <p>Break</p> <p>Writing: 1 essay, 40 minutes</p>	<p><u>Freshmen/Sophomores Testing Schedule:</u></p> <p>Registration- 60 minutes</p> <p>English: 45 question, 30 minutes</p> <p>Math: 36 questions, 40 minutes</p> <p>Break</p> <p>Reading: 25 questions, 30 minutes</p> <p>Science: 30 questions, 30 minutes</p>
---	---

Please encourage your students to get plenty of rest, eat breakfast before testing, and to have a positive attitude about the assessments. Please make every effort to have your students in attendance on April 19th. We appreciate your cooperation.

From my desk, the 2016-17 school year has been a fantastic year so far at Elkhorn South. I encourage our students and staff to finish strong and to ride the momentum through the spring season. Please know that our success is measured in multiple terms, but is undeniably achieved through the positive working relationship of our students, parents, teachers and administration. I sincerely value your role in our successes and thank you for your continued support of our school. Please feel free to call or email me if you have questions or concerns about the assessments, prom, or any other issue here at ESHS.

APRIL TECH SAAVY TIPS:

Phishing Scams: Phishing is a form of social engineering that attempts to steal sensitive information. An attacker's goal is to compromise systems to obtain usernames, passwords, and other account and/or financial data. They most frequently accomplish phishing attacks via email. The attacker sends crafted emails to people within an organization. The email usually pretends to be from someone trustworthy, like your bank, UPS/FedEx, a credit card company or an airline, or some other site for which you may have login credentials. The email includes a link to an "official" website that is actually a fake site operated by the attacker. Once the user visits the fake site, they may be asked overtly to enter account information such as usernames, passwords, credit card details, social security or bank account numbers. If done correctly, the attack can capture sensitive information without the victim even knowing that they have been compromised. More information can be found at <https://www.commoncraft.com/video/phishing-scams>

Make-up Days for Missed School Days

As a reminder, EPS students will have classes on Wednesday, May 24th and Thursday, May 25th. These two days were built into the school calendar to account for the first two missed school days due to inclement weather. The last day for the 2016-2017 school calendar year is Thursday, May 25th.

Please contact Jean Krusemark in the counseling center at 402-289-0616, or jkrusemark@epsne.org, if you have a change of:

TEST DAY: APRIL 19

All juniors will take the ACT with Writing. All freshmen and sophomores will take the PreACT. No seniors in attendance

College Entrance Testing: For Juniors

Upcoming test dates: National ACT spring test dates are: April 8 and June 10. Register at www.actstudent.org. Registration deadlines are about one month prior to the test date. Full length practice tests available in the CC.

Score reporting: Upon test registration, students can select up to 4 colleges to receive test scores. To avoid paying to send your scores at a later date, please ensure that you have selected 4 colleges of your choice at the time of registration.

Test Prep Resources: Visit the Counseling Center website (www.elkhornweb.org), click on Elkhorn South High School, Counseling Center, Testing, Test Prep Resources, or see your counselor for more information on test prep resources/classes.

AP Testing:

AP tests will be administered on the following dates for students who registered in March. Tests are about four hours. Students are excused from classes during the test administration but are responsible for make-up work.

AP Chemistry	May 1 8AM	AP US Gov	May 4 8AM	AP Eng Lang	May 10 8AM
AP Psychology	May 1 12 PM	AP US Hist	May 5 8AM	AP World	May 11 8AM
AP Spanish	May 2 8AM	AP Bio	May 8 8AM	AP Stats	May 11 12 PM
AP Eng Lit	May 3 8AM	AP Calc AB/BC	May 9 8AM		

Summer School:

Students in need of credit recovery will be contacted regarding summer school. A student **must** get approval from the counseling center before taking a class in order for the credit to be accepted.

Mid-Term Graduation, January 2018:

Students eligible for mid-term graduation for the 2017-2018 school year must have appropriate forms returned to the Counseling Center by May 1. This option was discussed during junior audits.

SENIORS: If a senior has earned college credits either through dual credit or AP scores, the student is responsible for contacting the institution to have their transcript sent to the college they plan to attend. The high school transcript will not suffice. Visit www.apscore.org for AP test scores after all test scores are received.

Students interested in National Honor Society:

We often answer questions about what it takes to gain acceptance into National Honor Society. This information is being shared to help families organize and prepare for the application components. All juniors and seniors with a 3.5 cumulative GPA are invited to apply. We send letters to eligible applicants in August. Once eligible, we hold a meeting with candidates and there is an application to complete (to see the application, visit www.elkhornweb.org-ESHS-Activites-NHS). The application includes documenting activities, awards, and service hours. Service hours must be verified with a signature of the person in charge of the event. We encourage students to collect signatures as they complete their service hours rather than trying to collect them later. You can either print the NHS application and collect signatures there or collect signatures on loose paper and submit these with your application. It's also a good idea to track activities and awards as you go. Students can do this on the application or can create an activities resume at www.educationquest.org.

Seniors: Have you taken at least 4 AP courses, participated in at least 2 years of an extra-curricular activity, and volunteered at least 50 hours? If yes, then check out the Achieve Program through the Foundation. You are eligible for up to \$1350 and recognition at the graduation ceremony. Visit www.elkhornfoundation.org for the application. Applications due in the counseling center by April 12 at 3:30.

Sportsmanship-From the National Federation and the NSAA.

Acceptable Behavior:

-Applause during introductions of athletes, coaches and officials.

-Athletes shaking hands with opponents who foul out while both sets of fans recognize the athlete's performances with applause.

-Accepting all decisions of officials.

-Treating the competition as a game, not a war.

-Applause at the end of the contest for performance of both teams.

Unacceptable Behavior:

-Disrespectful or derogatory yells, chants, songs or gestures.

-Turning backs or holding up newspapers while teams are being introduced or when teams, cheerleaders or drill teams are performing.

-Criticizing officials, booing or heckling.

-Blaming loss of game on officials, coaches or "somebody else".

-Use of profanity or displays of anger that draw attention away from the intent of the game.

ATTENDANCE REMINDERS

- ◇ A student that exceeds two unexcused absences or eight excused absences to a class will receive half credit for that course. Monthly letters will be sent to those students who are at pace to exceed or who have exceeded eight absences for the semester. These letters are intended to help parents be mindful of absences and to promote discussion with the school administration about the nature of the student's absences.
- ◇ While a doctor's note is not required for every illness or medical absence, it is good practice to provide them in the event your child exceeds the eight allotted absences per semester and may need such documentation to waive or appeal the half credit status.
- ◇ Proactive communication and appropriate documentation are helpful in the appeals process for a student in jeopardy of losing credit. Certified letters will be sent at the conclusion of the semester to those students who have received half credit as a result of attendance.
- ◇ If you are having difficulty getting your child to school, please contact the administration or your child's counselor. We want to help your child. A discussion would allow us to problem solve and potentially access district or community resources that could help remedy the attendance problem.
- ◇ In addition to the district policy regarding semester attendance and credit, parents should be aware of state law regarding documentation of excessive absenteeism.
 - At any time during the school year when a student shall have been absent more than twenty (20) days cumulatively or a like amount of time on an hourly equivalency, the principal or designee shall report that fact in writing to the Douglas County Attorney.

Quiz Bowl

The Elkhorn South Advanced team competed and took 3rd place among 32 teams at Bellevue University. Congratulations to Nora Santelman, Raef Kubie, Bennett Wright, and Alex Page. We are coming to the end of our quiz bowl season with our last competition at Grace University.

TEAM+S Competition (Tests of Engineering Aptitude, Mathematics, and Science)

Students competed in the TEAM+S "Engineering the Environment" contest that was held at UNL on March 7. Three teams worked collaboratively as they applied their math and science knowledge in practical, creative ways to solve realistic engineering problems. The ESHS teams did very well with the multiple-choice section of the competition. The Varsity team of Jacob Gideon, Zach Woosley, Yoyo Ghannam, Hannah Donahue, Bennett Wright, and Lauren Berrett won 2nd place in the 11/12 division. Our JV team of Mason Minnich, Paul Owens, Alden Fitts, Derek Madden, Wesley Chong, Jack Paradis, Jillian Hunsinger, and John Jessen took 1st place in 9/10 division. "Best in State" will be announced after the essay and design/build results are determined.

HALE continued...

Olympus Club

The annual Olympus Club Lock-In will be held at Common Ground on Saturday, April 22nd from 10:00 pm to 6:00 am. This is an opportunity for students from both high schools to form new friendships as they play dodge ball, basketball, volleyball, air hockey, board games, and go swimming. The Iron Mind Competition tradition will continue as students from both schools try to win the traveling trophy.

AMC and USABO Results

In February, 31 students took national math and biology talent search tests--the American Mathematics Competition and the USA Biology Olympiad. The ESHS top scorer for AMC 12 is Bennett Wright. AMC 10 top scorers are Michael Kelly and Derek Madden. For the USA Biology Olympiad, Aiden Busselman scored in the top quartile nationally.

MARIJUANA EXTRACTS (DABBING)

Another national trend that has made its way into our schools is marijuana extracts, most commonly referred to as dabbing. The amount of THC (the chemical in marijuana that results in feeling high) in marijuana has been increasing steadily over the past few decades, and with increased potency comes increased health risks and harmful reactions.

On average, regular marijuana has a THC content of 12-13%; the typical dab has a THC content of more than 50% and some extracts are as high as 80%.

Marijuana Extracts can come in various forms:

- Hash Oil or Honey Oil– a gooey liquid
- Wax or Budder– a soft solid with a texture like lip balm
- Shatter– a hard, amber colored solid

E-Cigarettes/Vaporizers are being used to smoke marijuana wax and Hash/Honey Oil. Smoking these extracts can deliver extremely large amounts of THC and have sent some users to the Emergency Room. Since dabbing is a relatively new trend, there have not been many studies done on it. We do know the higher potency leads to stronger effects, such as poor judgment, poor coordination, increased heart rate, hallucinations, intense anxiety or panic attacks, sleepiness, and difficulty keeping track of time.

School Community Intervention and Prevention Presents: A Community Forum on Youth Marijuana Use

Marijuana continues to be one of the most prevalent substances of abuse among our youth. The purpose of this forum is to increase awareness of trends in use by adolescents, the effects of marijuana use on a youth's developing brain, the increase in potency of marijuana, new modes of delivery and mixed messages our youth are receiving surrounding legalization and the medicinal use of marijuana.

Presentation/Discussion Panel

Deputy Jeremy Schwarz with the Lancaster County Sheriff's office will be presenting. As a Certified Drug Recognition Expert (DRE), Deputy Schwarz has a great deal of experience in drug enforcement and evaluation as well as in training professionals. A discussion panel comprised of representatives from the treatment community, law enforcement, schools, the medical field and prevention will follow.

DID YOU KNOW?

Marijuana is the most commonly used illicit drug by teens.

When marijuana use begins in the teen years, it can have a significant impact on brain development. THC alters the ability of the hippocampus (a brain area related to learning and memory), to communicate effectively with other brain regions. This can lead to :

- Reduced ability to concentrate
- Impaired or reduced short & long –term memory
- Impaired or reduced comprehension
- Impairments in learning, memory, perception, and judgement.

Teens who smoke marijuana at least once a month are 3 times more likely to have suicidal thoughts than non-users.

Compared to those who don't use marijuana, those who use heavily more often report:

- Lower life satisfaction
- Poorer mental health
- Poorer physical health
- More relationship problems

Senior Notes

As the school year winds down for the Senior Class of 2017, Sodexo would like to congratulate all of you and wish you the best.

All seniors must have their accounts cleared and signed off May 17th, 2017 in order to receive their cap/gown. You can bring your sheets to the cafeteria after your lunch. If your account is negative it must be paid off before being signed out. If you have remaining money in your account and have a sibling in the district, you may transfer the money into their account by having a parent call the Food Service Department at 402-289-0443 after May 17th. Money will **not** transfer automatically.

If an automatic payment is set up for any graduating senior, it will need to be deleted/removed online (<https://www.schoolpaymentportal.com>) to prevent future deposits being made to the account. A refund can be requested by calling the Food Service Department after May 19th. Lunch accounts will **not** be allowed to go negative at any point during the last week of school, starting May 15th, 2017.

Congratulations and Best Wishes.
