## Principal's Message

Hello Westridge Families,

Thank you to all of the families that donated items and volunteered their time to help with the fall parties. I know how busy things are at home. I appreciate your help in making the parties a fun event for the students.

On Tuesday, I met with a few parents to go over some of our building data. I got their input on areas they see as strengths and areas where we could continue to grow at Westridge. I will be sharing some of that conversation at our next PTO/PAT meeting on November 7<sup>th</sup>. My goal is to collect more information from more of our families in order to continue to grow and improve as a school. If you have not attended a PTO/PAT meeting yet, I would encourage you to do so. It is a great way to get involved with the school and connect with other families. All meetings are at 6:30 PM on the first Tuesday of each month in the Westridge library.

Finally, we will be having our first music concerts in the month of November. 4<sup>th</sup> and 5<sup>th</sup> grades have their concerts scheduled for Monday, November 6<sup>th</sup>. Last year, we had joint concerts, meaning both grades performed at the same time. However, due to the size of our space compared to the size of our audience, we are needing to have separate concerts this year. This means that one grade's concert will start at 6:00 PM, and the other grade's concert will be at 7:00 PM. The younger grade will go first each time. Therefore, the 4<sup>th</sup> grade concert will be at 6:00. The 5<sup>th</sup> grade concert will start at 7:00.

**Mr. Broshar**

## Westridge Elementary Mission Statement:

In an effort to create life-long learners, the staff at Westridge Elementary School working closely with parents and community strives to realize each child's fullest potential in the areas of personal, social, intellectual, emotional, and physical development.

## Westridge Box Tops Classroom Competition...

Ends the LAST calendar week of every month! – Due Friday, October 27.

You can send your Box Tops to your child's classroom any time during the week each month. The top-contributing classroom throughout the school year earns a pizza or donut party. Each month, the monthly highest contributing classroom will receive a popcorn party prize. Congratulations to Mrs. Sorensen's class for winning the August classroom competition. September collection will happen Monday, October 2<sup>nd</sup>, so if you haven't already sent them this month, please send them with your child on Monday morning.

**Reminder:** Check to make sure the Box Tops have not expired.

Thanks for your help and support! If you have any questions, please contact Mrs. Hague at [jhague@epsne.org](mailto:jhague@epsne.org) or 402-289-2559.

**You also might want to consider downloading the following app.:** You can DOUBLE your contributions with this app! Go to <http://www.boxtops4education.com/bonusapp> or <https://www.facebook.com/westridgeelkhorn/?fref=ts> for more information!

## Question of the Month

### What are Wildcat Winner assemblies and when do they occur?

Westridge's Wildcat Winner program was started last year. It is a way for teachers and staff to recognize students that are doing an outstanding job in the classroom. At Westridge we have five Pawsitive behaviors that we expect students to be demonstrating at school. They are:

- Be Ready
- Be Responsible
- Be Respectful
- Follow Directions
- Hands and Feet to Self

When students are consistently showing these behaviors in the classroom, they get nominated by the classroom teacher. Winners are nominated once a month. Then at the monthly Wildcat Winner assembly, we announce the winners. Our Wildcat Winners receive a certificate, and they are invited to a pizza party at the end of the school day. Please note that the pizza party does not typically happen on the same day of the assembly.

The classroom teacher will notify parents and/or guardians if their son/daughter is going to be the winner for the month. Parents and/or guardians are welcome to attend the assembly to watch the students receive the certificates. I always make sure to give our guests time to get a quick picture of all of our winners.

This program has been a positive experience for our students, and it celebrates students making good choices.

# P W PRINTS

Want to make Thanksgiving a little less stressful this year? Order a Turkey decorated cake, mini bundt cakes or some gluten free bundtinis from Nothing Bundt cakes. Orders will be collected from November 1-14th. Westridge PTO receives a portion of these sales. The proceeds from this sale will go into the PTO general fund which pays for field trips, teacher appreciation, classroom parties and so much more.

Our next opportunity to raise funds for replacing the boards is November 18th. Le Peep restaurants are hosting a Westridge spirit day that day! Enjoy your Saturday with some pancakes and eggs at any of their three locations. This is an all-day event! Make sure to say you are there to support Westridge!

Come help support one of our own community area on November 9th. Fala's coffee shop located in downtown Elkhorn is having a sip and shop from 4-8 with select proceeds going to Westridge. There will be a dinner menu to stay or go that will benefit our school.

Thank you for all who ordered from Cherrydale. This is one of our biggest fundraisers of the year. This money gets utilized in some many ways for our school and staff. Orders will be delivered November 16th.

You may have seen the newest craze going around the school; spirit sticks! These unique and collectible items are not only fun for the students but also are bringing money in the replace the boards. The proceeds from the sticks will go to the replace the boards fund. Watch for more information including sending your child a birthday gram spirit stick.

Shop at Hy-Vee? Save your receipts and bring them into school. For every \$200 spent Westridge gets a percentage back.

TAGG is another great way to bring money back into our school. Download the TAGG app, use it at participating businesses and they donate a percentage back to the school. Check out the list attached to see who participates.

## **Understanding Digital Citizenship**

As Elkhorn Public Schools expands access to technology for instructional purposes, the district is also aware of the need to define digital citizenship and promote the importance of students being good digital citizens. In addition to providing information to students, we believe it may also be helpful to share resources with families. This brochure explains the components of digital citizenship as well as some best practices for being a good digital citizen. The following information is from Common Sense Media; to learn more, visit [www.commonsensemedia.com](http://www.commonsensemedia.com).

---

### *Internet Safety and Privacy*

Several topics are vital to ensuring full understanding of the importance of safe Internet practices:

- Identify risky online situations and explain the importance of alerting an adult immediately
- Secure all devices, both hand-held and stationary and develop high quality passwords
- Understand the dangers of downloads and how they are used as part of your digital footprint
- Identify appropriate information that can be shared. Most importantly, those using the Internet should always remember there is no such thing as total privacy online.

### *Digital Footprint, Communication and Reputation*

Individuals utilizing the Internet and social media must understand that all online activity leaves a digital footprint in the form of information that exists about an individual as a result of their online activity. Because this information is easily linked to a specific individual, it can oftentimes be used to harm a person's reputation, even outside of the cyber world. Individuals should remember that what they are putting out there today will still be available for years to come. Being aware of this may be the difference between being hired for your dream job, and being passed over due to unflattering information that was discovered from one's use of an online platform earlier in life. For those wanting to clean up their digital footprint and move forward with creating a positive one, the following steps should be considered:

- Review all social media accounts and delete anything that you wouldn't want a future employer to access, but remember that even "deleted" posts can still turn up in searches so always think twice before posting anything; once that step is complete, turn all settings to private and monitor the settings regularly, as sites often update their settings and some things could change without your knowledge.
- Delete abandoned accounts and unsubscribe to mailing lists that might be considered undesirable or that you no longer find relevant.
- Post about topics you're passionate about and explain why you feel that way; find positive things happening around you and share those instead of today's most viral video.

## Creative Credit and Copyright

There are several ways to ensure proper credit is given and copyright is protected when using information gathered online; the most important of those being correctly citing sources, avoiding plagiarism, and always checking any images used for creator's rights.

## Information Literacy

Information literacy is a term often associated with understanding the tools used to gather information and knowing where that information is coming from. Individuals utilizing the Internet for research should always be sure that the information they are collecting is accurate and reliable by verifying the credibility of any website utilized in the information collection process.

## **Balancing Technology Use**

Parents often look for new ways to create a balance between learning and using technology appropriately, and participating in other activities that are essential to a child's development. Finding that balance between the two can be the difference between a healthy relationship and an unhealthy reliance. Several strategies exist to ensure that a healthy relationship with technology is built beginning with the early stages of use. The following information is from research done by Michigan State University Extension; to learn more, visit <https://goo.gl/bMC2a3>.

---

## Understand Your Pattern of Use and Create Boundaries

Most people don't realize the amount of time they spend using technology unless it is pointed out to them. Take an inventory of your family's use and understand when, why, and how you're using technology. Is all of it necessary? Are you and/or your family benefiting from that time spent with technology? Understanding your pattern of use is the first step in creating boundaries that both you and your family can stick to.

## Be Intentional in Determining Downtime

Being constantly connected can hinder active learning, as one becomes passive in taking in new information because he or she is constantly "learning" new things. Taking a step away from technology and the absorption of information allows one's brain a needed break and creates an active learning environment. By being intentional in determining technology downtime, you are giving your brain that break to be able to focus on other things.

*Be the Example and Set the Expectation*

Kids learn by following an example - following the same technology use rules you set for your children is the best way to show them a healthy relationship with technology. Setting usage time limits, creating intentional face-to-face opportunities, and implementing device-free zones are all ways to ensure too much time isn't spent on technology for entertainment purposes.

# ELKHORN PUBLIC SCHOOLS

## 2018 – 2019 KINDERGARTEN ROUNDUP

Elkhorn Public Schools is seeking to identify children who are eligible for kindergarten during the 2018-2019 school year. Parents are encouraged to pre-register their students prior to Kindergarten Roundup and orientation. Children who will be five years of age on or before July 31, 2017 are eligible to attend kindergarten according to Nebraska State Law.

Kindergarten Roundup will be held Friday, March 2<sup>nd</sup> at 9:00 AM. Parents are encouraged to attend an orientation meeting held at their school prior to Kindergarten Roundup on Monday, February, 26<sup>th</sup> at 6:00 PM in the Westridge library.

If you have a child who will be attending Kindergarten Roundup, please fill out the information below and return it as soon as possible. This will allow us to make arrangements for the number of students attending. If you have friends or neighbors who will have a child starting school, please share this information with them. Additional forms are available at [www.elkhornweb.org](http://www.elkhornweb.org) OR at your school's main office. Please contact us if you have any questions.

# Did you know that Westridge collects:

- Box Tops
  - These come to your classroom each month for monthly classroom competitions. Bring them by the last Friday each month. It's extra helpful if you count them and write the number on the outside of the baggie. BONUS Box Tops should be bagged separately.
  - Box Tops money is shared between PTO (to help pay for classroom field trips, teacher appreciation, etc.) and Student Council (which fully funds our school's recycling program). We have collected over \$25,000 from Box Tops over several years! Those 10 cent labels add up!
  - For a list of participating products, go to:  
<https://www.boxtops4education.com/earn/participating-products>
- Campbell's Soup Labels/Labels for Education
  - These can be sent to your child's classroom along with the Box Tops in a separate baggie. The points earned from these have been used in the past to purchase classroom objects, such as playground equipment. If you want to see which products have these labels, go to <http://www.labelsforeducation.com/About-the-Program/Participating-Products> for more information.
- Aluminum Can/Pop Tabs
  - Each classroom has a little Ronald McDonald House collection house to put your pop tabs in. Student Council collects these and donates to the Ronald McDonald house!
- Hy-Vee receipts
  - Each time you shop at Hy-Vee from September 1 to December 31 for gas, groceries (online or in store), or pharmacy at ANY Hy-Vee location, send your receipt to school. We have a collection box outside of the office. For every \$200 spent at Hy-Vee, they will donate \$1 to Westridge.
- Coke rewards points
  - If you are interested in heading up this project, please let Mrs. Hague know.

Encourage friends, family, neighbors, and coworkers to collect for you, too! Please contact Jodi Hague at [jhague@epsne.org](mailto:jhague@epsne.org) if you have any questions!
