FROM THE PRINCIPAL:

Arbor View Families,

Building Climate Survey Reminder

There is still time to give feedback using the link in the next paragraph.

Arbor View benefits from a very supportive community with strong parent involvement. Because continuous improvement is a large part of our mission, we are seeking your input in order to help us ensure strong student achievement and a positive culture that enhances learning for all

Please take a few minutes prior to Monday, April 16, 2018 to follow the link and participate in our school climate survey. If you have any questions please feel free to contact the school. <https://goo.gl/4fKf5k>

3rd, 4th and 5th Grade NSCAS Testing -

Our 5th graders will be taking the Nebraska Student Centered Assessment System Science Test on Tuesday and Wednesday this week. Any assistance you can give at home to set up a successful testing experience is appreciated. A good night's sleep, a hearty breakfast and arriving to school on time will go a long way towards a successful testing experience. Thanks for any help you provide!

5th grade will test at 9:45 both days.

PTO News

There is only one meeting left in the 2018-19 school year. I hope to see you on May 7th at 6:30.

At the last meeting a new board was nominated and elected. Congratulations to the new member of the Arbor View PTO Executive Board.

President - Joe Griffith

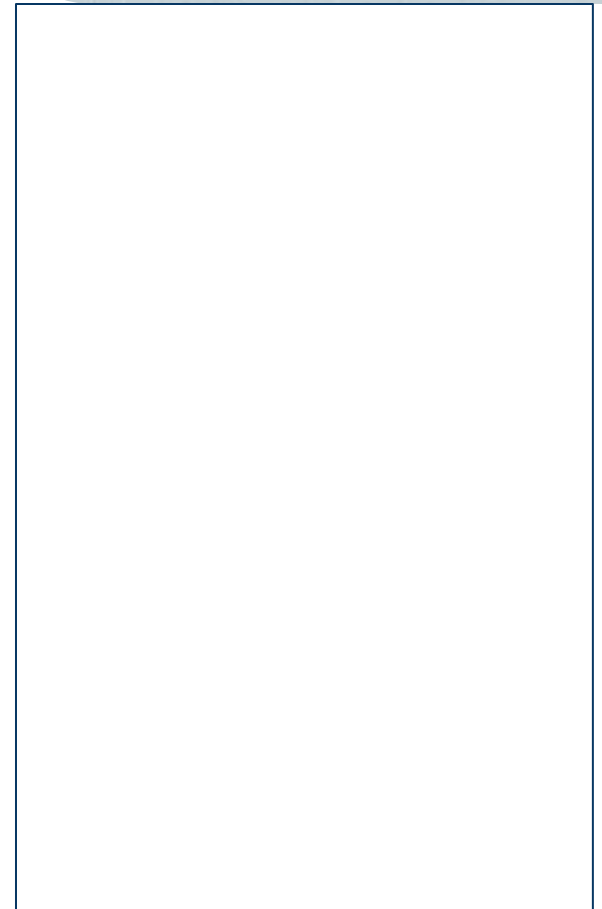

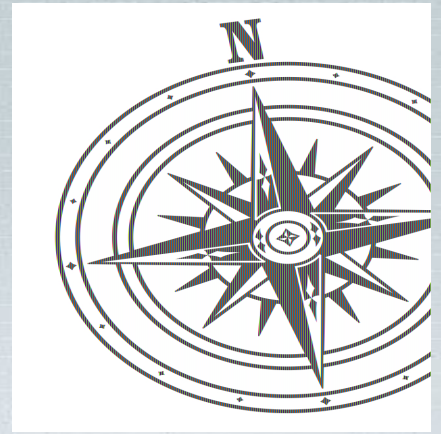

Vice President - Shawna Michener

Treasurer - Jason Harnisch

Secretary - Angie Hamilton

I would like to personally acknowledge and thank Dawn Melcher, Rheadina Foster and Heidi Gatling for their service on PTO. Without their hard work, organization and dedication to all kids, the PTO would not be in the positive position it is right now. If you see Dawn, Rheadina or Heidi, please thank them for their service to PTO.

Mr. Sidders

Tech Tips for Building Newsletters – April 2018

Parental Controls

Did you know you are able to limit your student's access to websites, email contacts or even control the time of day and the duration in which they use the computer? By creating different user profiles and customized parental controls on your home computer you can help make sure your child is viewing age-appropriate content.

Apps Parents Should Know—Snapchat and photo saving apps

Snapchat is an app that allows users to send pictures, videos and short captions to friends 10 times faster than (mms) text messaging. The app allows the sender to determine when the message will expire (up to 10 seconds). Users have the option to send a "snap" to one person or a group of people. Once a message is viewed, it will disappear and cannot be retrieved again. However, the person receiving the 'snap' has the ability to take a screenshot of the photo and save it directly to their device. It is important to understand that even though a message may expire, there is no guarantee a photo will not be re-distributed by the receiver. Several new apps have been created to quickly save Snapchat photos before they expire. Apps like MirrorGo (Android), ScreenRecorder (iOS), and Snap Saver save photos and videos without notifying the sender. Bottom line—never assume a Snapchat picture or video is temporary or private.

Elkhorn Public Schools Policy 507.13—Internet Safety Policy was written in compliance with the Children's Internet Protection Act. Tech Savvy Parent tips are intended to inform and educate parents of technology that may be available to their students. Tips may feature apps that are educational as well as those that may be a cause for concern to parents.
