FROM THE PRINCIPAL:

Arbor View Families,

Thanks for all of your support at home with our recent NSCAS testing. The kids came to school well prepared and ready to test. They worked hard and we are proud of them.

The last month of the school year is just around the corner. We will have our last round of reading benchmark assessments during the week of April 30th. The month of May will bring with it multiple opportunities to visit the school during the day.

Get these dates on your calendars now.

May 17th - EMS Jazz Band and Show Choir visits at 8:45

May 18th - Field Day

May 23rd - 1st annual Variety Show @1:30

May 24th - Awards Assembly @1:00

May 25th - 5th grade "graduation" and celebration

Parental Controls

Did you know you are able to limit your student's access to websites, email contacts or even control the time of day and the duration in which they use the computer? By creating different user profiles and customized parental controls on your home computer you can help make sure your child is viewing age-appropriate content.

Apps Parents Should Know—Snapchat and photo saving apps

Snapchat is an app that allows users to send pictures, videos and short captions to friends 10 times faster than (mms) text messaging. The app allows the sender to determine when the message will expire (up to 10 seconds). Users have the option to send a "snap" to one person or a group of people. Once a message is viewed, it will disappear and cannot be retrieved again. However, the person receiving the 'snap' has the ability to take a screenshot of the photo and save it directly to their device. It is important to understand that even though a message may expire, there is no guarantee a photo will not be re-distributed by the receiver. Several new apps have been created to quickly save Snapchat photos before they expire. Apps like MirrorGo (Android), ScreenRecorder (iOS), and Snap Saver save photos and videos without notifying the sender. Bottom line—never assume a Snapchat picture or video is temporary or private.

Elkhorn Public Schools Policy 507.13—Internet Safety Policy was written in compliance with the Children's Internet Protection Act. Tech Savvy Parent tips are intended to inform and educate parents of technology that may be available to their students. Tips may feature apps that are educational as well as those that may be a cause for concern to parents.
