FROM THE PRINCIPAL:

Arbor View Families,

Cooler weather is here! I know lots of kids like to still wear shorts during the day at school. This is absolutely fine, but please think about putting a pair of pants in backpacks as we will go outside as weather allows for recess. Along with some extra clothes don't forget gloves and hats! It can be rather chilly in the morning at Walking Club as well as recess.

This week's PTO meeting will be held in the 3rd grade pod. Mrs. Frey and Mrs. Wellendorf will also be in attendance to give updates! If it is your 1st or 50th meeting, please join us and see what PTO is all about.

Hopefully you have had some time to get familiar with the Pick A Time system for conferences. The online scheduler will go live on Sunday at 5:00. If you have questions about it please feel free to call the office at 289-1007.

EPS is currently hiring split shift and substitute drivers responsible for the safe transport of our children to and from school. Rewarding work and competitive pay.

Engaging the community to support our kids and teachers!

Meetings for the year - mark your calendars

*childcare should be available

Monday, November 5th @6:30 - 1st grade will host

Monday, January 7th @6:30 -

Monday, February 4th @6:30

Monday, March 4th @6:30

Monday, April 1st @6:30 - Kindergarten teachers will host

Monday, May 6th @6:30 - 2nd grade teachers will host

There will be plenty of opportunities for all family members to get involved this year. All you need to do is show up and volunteer! Who knows, if you have a friend who attends a meeting, he or she just might volunteer you anyway. The best way to control your own PTO destiny is to attend all meetings. A strong, positive partnership between the school and the parent organization will ensure our school community continues to thrive as we grow! :)

SQUARE 1 ART

IT STARTS WITH THE ART!

Dear Arbor View Families,

I am excited to let you know that we will be doing our annual fundraising again this year in the art room. Students are very busy working on and perfecting their artworks so that we can meet their October 3rd deadline to hand in all artwork and await ordering packets!

Ordering packets will arrive back at Arbor View, **October 24th**. LET THE ORDERING and HOLIDAY SHOPPING BEGIN! :) Online ordering is back this year and easier than ever! You may also send exact cash or check to Arbor View. All orders will be due no later than **November 4th**.

This is a very special opportunity to raise funds specifically for the art room here at Arbor View. The Square 1 Art program allows us to raise a few funds for the “extras” i.e. books, art videos, specialty brushes, paints, papers and art games to be utilized during student’s time in the art room. If you decide not to order, that is perfectly fine. Students will receive a free sheet of stickers with their packet! Those are for them to keep:)

Thank you as always for supporting our program and for encouraging your child’s love of art, creativity and problem solving!

Mrs. Wellendorf

TEAMMATES MENTORING TO BEGIN AT EPS SCHOOLS

Together We Transform Lives

As Elkhorn Public Schools continues to experience significant growth throughout the District, our student population continues to diversify and the need for extra student support increases.

As a result of this growth, EPS recently made the decision to transition our current, district-run Partners in Education Mentoring Program into a chapter with the TeamMates Mentoring Program. The TeamMates program provides more structured support for the wide variety of backgrounds and interests that can be found in EPS students and brings more mentors into our program while allowing us to retain the majority of our current mentoring relationships already in place.

If you are interested in becoming a TeamMates mentor in the EPS District, please complete the online application by clicking [here](#) or contact Kara Perchal at kperchal@epsne.org for more information.

TECH SAVVY PARENT TIPS - APPS TO KNOW

Classlink: Elkhorn Public Schools

ClassLink is a single sign-on platform that allows students to use one username and password to access online resources already being used in the classroom, including online textbooks, Moodle courses, and more. ClassLink saves all school related passwords within the security of your ClassLink Password.

ClassLink is a safe, secure way for students to connect with applications and resources. The website does not collect or share any personal student information, which is important to us. Best of all, it is very easy to use and is a great resource for students and families.

Information about getting started with Classlink for EPS students can be found [here](#).

PowerSchool App

The Elkhorn Public Schools District uses a student information system called PowerSchool. This is a web-based system with a mobile app option that is intended to provide parents and students with a tool to review student progress. An important feature in PowerSchool is parent/guardian access. This feature offers real-time access to attendance, class information and the option to update student information easily. Students in grades 3-12 also have the ability to view current grades.

PowerSchool also offers parents a single sign on method so they have the ability to link multiple student accounts together and access the accounts via one login and password.

Activity Scheduler: rSchool Calendar

EPS middle and high schools use on an online calendar called rSchool to track all events and activities. rSchool also has an app option for individuals to view their schools rSchool calendar and view events by date or by activity category.

To use the app, download Activity Scheduler in your phone's app store and choose the your school based on the conference they are part of. To view and subscribe to any building's calendar, click [here](#).

For reference, Elkhorn High School and all EPS middle schools are part of the Eastern Mid Conference and Elkhorn South High School is part of the Metro Conference.

Elkhorn Public Schools Policy 507.13—Internet Safety Policy was written in compliance with the Children's Internet Protection Act. Tech Savvy Parent tips are intended to inform and educate parents of technology that may be available to their students. Tips may feature apps that are educational as well as those that may be a cause for concern to parents.
