FROM THE PRINCIPAL:

Arbor View Families,

Thanks for getting your parent/teacher conference scheduled. We always strive for 100% attendance because we know the home/school relationship is vital to student success in school. If you need a conference rescheduled or changed, please let us know.

There is no school this Friday, October 19th. This is a compensation day for teachers due to parent/teacher conferences. Don't forget, we will dismiss one hour early on October 16th and 17th due to parent/teacher conferences. The afternoon preschool classes will dismiss at 2:30 both days.

Employment Opportunity

EPS is currently hiring split shift and substitute drivers responsible for the safe transport of our children to and from school. Rewarding work and competitive pay.

SQUARE 1 ART

IT STARTS WITH THE ART!

Dear Arbor View Families,

I am excited to let you know that we will be doing our annual fundraising again this year in the art room. Students are very busy working on and perfecting their artworks so that we can meet their October 3rd deadline to hand in all artwork and await ordering packets!

Ordering packets will arrive back at Arbor View, **October 24th**. LET THE ORDERING and HOLIDAY SHOPPING BEGIN! :) Online ordering is back this year and easier than ever! You may also send exact cash or check to Arbor View. All orders will be due no later than **November 4th**.

This is a very special opportunity to raise funds specifically for the art room here at Arbor View. The Square 1 Art program allows us to raise a few funds for the “extras” i.e. books, art videos, specialty brushes, paints, papers and art games to be utilized during student’s time in the art room. If you decide not to order, that is perfectly fine. Students will receive a free sheet of stickers with their packet! Those are for them to keep:)

Thank you as always for supporting our program and for encouraging your child’s love of art, creativity and problem solving!

Mrs. Wellendorf

District Reminders

TEAMMATES MENTORING TO BEGIN AT EPS SCHOOLS

As Elkhorn Public Schools continues to experience significant growth throughout the District, our student population continues to diversify and the need for extra student support increases.

As a result of this growth, EPS recently made the decision to transition our current, district-run Partners in Education Mentoring Program into a chapter with the TeamMates Mentoring Program. The TeamMates program provides more structured support for the wide variety of backgrounds and interests that can be found in EPS students and brings more mentors into our program while allowing us to retain the majority of our current mentoring relationships already in place.

If you are interested in becoming a TeamMates mentor in the EPS District, please complete the online application by clicking [here](#) or contact Kara Perchal at kperchal@epsne.org for more information.

TECH SAVVY PARENT TIPS - APPS TO KNOW

Classlink: Elkhorn Public Schools

ClassLink is a single sign-on platform that allows students to use one username and password to access online resources already being used in the classroom, including online textbooks, Moodle courses, and more. ClassLink saves all school related passwords within the security of your ClassLink Password.

ClassLink is a safe, secure way for students to connect with applications and resources. The website does not collect or share any personal student information, which is important to us. Best of all, it is very easy to use and is a great resource for students and families.

Information about getting started with Classlink for EPS students can be found [here](#).

PowerSchool App

The Elkhorn Public Schools District uses a student information system called PowerSchool. This is a web-based system with a mobile app option that is intended to provide parents and students with a tool to review student progress. An important feature in PowerSchool is parent/guardian access. This feature offers real-time access to attendance, class information and the option to update student information easily. Students in grades 3-12 also have the ability to view current grades.

PowerSchool also offers parents a single sign on method so they have the ability to link multiple student accounts together and access the accounts via one login and password.

Activity Scheduler: rSchool Calendar

EPS middle and high schools use on an online calendar called rSchool to track all events and activities. rSchool also has an app option for individuals to view their schools rSchool calendar and view events by date or by activity category.

To use the app, download Activity Scheduler in your phone's app store and choose the your school based on the conference they are part of. To view and subscribe to any building's calendar, click [here](#).

For reference, Elkhorn High School and all EPS middle schools are part of the Eastern Mid Conference and Elkhorn South High School is part of the Metro Conference.

Elkhorn Public Schools Policy 507.13—Internet Safety Policy was written in compliance with the Children's Internet Protection Act. Tech Savvy Parent tips are intended to inform and educate parents of technology that may be available to their students. Tips may feature apps that are educational as well as those that may be a cause for concern to parents.
