Tech Savvy Parent Tip: 7 Tips for Starting a Conversation About Online Safety

With the ever changing age of internet and increased online access, youth are encountering various unknowns as they explore the technology at their fingertips. If your child uses the internet for social media or games, below are seven opening questions to start a conversation with your child to remind them of the importance of online safety.

- 1) Which apps and games are you and your friends engaging with currently?
- 2) Which websites do you enjoy frequenting and why?
- 3) Can you teach me how to play your favorite game/app?
- 4) Do you have any online friends?
- 5) Do you know where to go for help?
- 6) Do you know what is considered your personal information?
- 7) Do you know your limits? If not, let's talk about them together.
