Tech Savvy Parent Tip: 5 Simple Steps to a Healthy Media Diet

As summer and extended periods of free time approach, focusing on a healthy media relationship becomes even more important! Common Sense Media has a few simple reminders about ensuring a healthy media diet:

- 1) Choose the Good Stuff: if you're using it anyway, make it quality and age appropriate material
- 2) Use it Together: if your kids are using it, be there to see what they're absorbing
- 3) Walk the Walk: set an example by modeling good media habits yourself
- 4) Balance: mix tech-time with other educational and exercise activities
- 5) Watch the Clock: establish time limits and tech-free zones throughout your home

Elkhorn Public Schools Policy 507.13—Internet Safety Policy was written in compliance with the Children's Internet Protection Act. Tech Savvy Parent tips are intended to inform and educate parents of technology that may be available to their students.
