FROM THE PRINCIPAL:

Arbor View Families,

It's been another great week at Arbor View. Don't forget that next week is not your typical schedule. We have a normal day on Monday followed by two early dismissals on Tuesday and Wednesday. We will dismiss at 2:06 both days to allow teachers to plan for conferences that begin at 3:00.

If you haven't signed up for a conference yet, there is still time. Please reach out to the office to get it scheduled. We want to meet with all of you! A positive and strong home and school partnership is an essential ingredient in every child's success in school.

Before School -

Walking club begins at 7:55. Therefore, school supervision does not begin until then. An adult supervised breakfast is served beginning at 7:30 if you need to drop off your child earlier than 7:55. Kid who eat breakfast will stay in the cafeteria until it is time for Walking Club.

After School -

A couple reminders -

- Please stay in your car if you are in the drop off lane, pull forward and your kids can enter your car curbside
- We are encouraging all kids and adults to cross into the parking lot using the safety patrol crossing. It adds a few steps, but it is the safest option.

Breakfast Information-

Breakfast is served in the cafeteria on a daily basis beginning at 7:30. If children are arriving for breakfast they should enter the building using the main entrance (office) and proceed to the cafeteria. Door #14 is strictly used in the morning for our Elkhorn Kids Campus program.

We will also be providing the grab and go breakfast option again this year. Utilizing this option means kids can arrive to school at 7:55, go to walking club and then get a grab and go breakfast to eat in the classroom.

All breakfast meals are charged to the child's lunch account.

From Mrs. Wellendorf's Art Room

Arbor View Families,

Welcome back students and parents!

I just wanted to give a great big shout out to each student who has passed through the art room doors these last few weeks! We have been working very hard on learning about the art room's procedures and expectations!

Coming up quickly is our ART ROOM FUNDRAISER! For my new families and art friends, we do a one time fundraiser through Square 1 Art (Look it up, its an awesome company!!). It is a great opportunity to do some birthday and holiday shopping. Square 1 will customize each product to highlight your student's artwork created in the art room. Square 1 then gives us a portion of the proceeds! In the past I have been able to purchase art videos, books, equipment, art supplies, high quality papers and the list goes on! THANK YOU always, for being so generous and supporting your art kiddo and our art program! :)

Please see our display case right by our main office!

Catalogs will come home: October 5th

Deadline for online or paper orders: November 6th

Please contact me if you have any questions!

Happy Shopping,

Mrs. Wellendorf, Arbor View K-5 Art Teacher.

*Any and all fundraising is strictly done on a voluntary basis. We appreciate your support.

District Reminders

TECH SAVVY PARENT TIPS - APPS TO KNOW

Classlink: Elkhorn Public Schools

ClassLink is a single sign-on platform that allows students to use one username and password to access online resources already being used in the classroom, including online textbooks, Moodle courses, and more. ClassLink saves all school related passwords within the security of your ClassLink password

ClassLink is a safe, secure way for students to connect with applications and resources. The website does not collect or share any personal student information, which is important to us. Best of all, it is very easy to use and is a great resource for students and families.

Information about getting started with Classlink for EPS students can be found [here](#).

PowerSchool App

The Elkhorn Public Schools District uses a student information system called PowerSchool. This is a web-based system with a mobile app option that is intended to provide parents and students with a tool to review student progress. An important feature in PowerSchool is parent/guardian access.

This feature offers real-time access to attendance, class information and the option to update student information easily. Students in grades 3-12 also have the ability to view current grades.

PowerSchool also offers parents a single sign on method so they have the ability to link multiple student accounts together and access the accounts via one login and password.

Activity Scheduler: rSchool Calendar

EPS middle and high schools use on an online calendar called rSchool to track all events and activities. rSchool also has an app option for individuals to view their schools rSchool calendar and view events by date or by activity category.

To use the app, download Activity Scheduler in your phone's app store and choose the your school based on the conference they are part of. To view and subscribe to any building's calendar, click [here](#). For reference, Elkhorn High School and all EPS middle schools are part of the Eastern Mid Conference and Elkhorn South High School is part of the Metro Conference.

Elkhorn Public Schools Policy 507.13—Internet Safety Policy was written in compliance with the Children's Internet Protection Act. Tech Savvy Parent tips are intended to inform and educate parents of technology that may be available to their students. Tips may feature apps that are educational as well as those that may be a cause for concern to parents.
