FROM THE PRINCIPAL:

Arbor View Families,

School News

School will be dismissed an hour early this Wednesday in anticipation of the 4 day weekend. This means that K-5 will dismiss at 2:06 and the preschool will dismiss at 2:30. We will not have school on Thursday or Friday due to Thanksgiving. Enjoy the long weekend!

The week we come back from Thanksgiving break we will begin our Winter Benchmark testing in Reading and Math for K-5 and Science for 5th grade. The teachers and students have been working hard in the classroom this semester. We have made it a goal for all kids to show growth on these assessments. Please help ensure that your child has adequate sleep the night before testing and gets something to eat before coming to school. We test in the morning so a hearty, healthy breakfast is ideal!

Apparel Sale

The Arbor View PTO Online Apparel store is open again! This is your chance to get those items you missed last time or to get Holiday presents for your favorite Arbor View students. The link will be live until Midnight on December 1st and items will be handed out before Winter Break. Any questions, contact Megan at cishirtselkhorn@gmail.com <https://cishirts.com/go/arbor>

PHOTOS YOU TAKE COULD BE IN THE YEARBOOK!

Photos of our students on field trips, class parties, and school events.

We want to see lots of student faces, the more students in the photos the better.

Send photos to us at

yearbook.arborview@gmail.com

(please include the event and grade in your email)

Thank you to our awesome health screen volunteers. We couldn't have done it without you!

If your child had results that indicated a need for further evaluation, you should be receiving those referrals in the mail. Once they see a health care provider please return a copy of the completed referral, so I can update your student's health information. Thank you!

As we head into the winter months, we see an increase in cold and flu symptoms. Please keep your child home if they have a fever of 100* or greater, vomiting/diarrhea, persistent cough, unknown rashes, pink eye, or in general not feeling well. This helps your child get well faster, and helps reduce the spread of germs to other students and staff.

IS IT THE FLU? INFLUENZA VS THE COMMON COLD

FLU	CHARACTERISTIC	COMMON COLD
SUDDEN	ONSET OF SYMPTOMS	GRADUAL
OCCASIONAL	SNEEZING	COMMON
EARLY	SORE THROAT & COUGH	MILD COURSE, PEAKING DAY 2-3
OFTEN SEVERE	MUSCLE ACHES	SLIGHT
SEVERE	MALaise, FATIGUE	USUALLY MILD
SUBSTERNAL BURNING, COMMON	CHEST SYMPTOMS	MILD, IF ANY
6-7 DAYS	DURATION	3-4 DAYS
HIGH (102° - 104°)	FEVER	NONE OR MILD (LESS THAN 100°)

CELEBRATION OF GIVING TIME!

With the holidays looming we hope you'll consider helping an Elkhorn family in need! Elkhorn Elementary Schools are sponsoring a Gift Drive for families within the Elkhorn community. Last year this project helped serve over 80 families in our school district, and we hope to help even more this year.

Please visit the table outside our school's front office before and after school from

MONDAY DECEMBER 2nd - FRIDAY, DECEMBER 6th and choose a mitten listing an item you would like to purchase.

Wrapped gifts, with the mitten attached to the outside, should be returned to school no later than **THURSDAY, DECEMBER 12th at 3PM.**

Please join us in making a difference in the lives of some Elkhorn families, and in making a lasting impression on our own children!

Tech Savvy Parent Tips - Apps to Know

TikTok is a social media app that allows users to generate video content including singing, dancing, or simply talking, as well as interact with other user's content covering a wide variety of topics. Similar to other social media apps, TikTok accounts are created with a default privacy setting of Public, allowing any user to interact with the content posted, send private messages, and capture location information. To protect youth utilizing TikTok, a user account can be set to Private to allow only Friends to see and interact with posted content and Location Sharing may also be turned off completely.

TikTok focuses mainly on music, so there is a potential that youth utilizing the app will encounter age-inappropriate content. TikTok does attempt to prevent this by hosting a separate section for children that allows access only to clean, curated videos and disabling commenting, searching, or posting their own videos. However, due to the ability to circumvent the required process that enable the Children's section, Common Sense media suggests the app be used for ages 16+.

For more information about TikTok and other social media apps to watch for, visit www.commonsendmedia.org.
