# District Reminders

---

## SchoolMessenger Alerts

Both the EPS District and each individual building regularly use a parent messaging system called SchoolMessenger to send emails and phone calls to parents, including monthly information about building happenings, as well as school closings.

If you did not receive a phone call and an email regarding our most recent School Cancellation, please reach out to your building secretary.

SchoolMessenger also allows recipients to “unsubscribe” from its mailing list; please understand that by “unsubscribing” you are completely removing your email address from ALL lists, including both District and building specific emails.

If you have previously unsubscribed and would like to begin receiving emails again, please let your building secretary know.

## Digital Calendars

As a reminder, all EPS activity and event information can be found by visiting [www.elkhornweb.org](http://www.elkhornweb.org) and choosing the “Calendar” tab in the header. From there, click the building whose activities you are wanting to view.

Additionally, download the rSchool: Activity Scheduler app for easy mobile access to middle school and high school activities and events.
