FROM THE PRINCIPAL:

Arbor View Families,

This Friday we welcomed 50 new kindergarten students to Arbor View. It was really neat to see all of their excited faces. Even better was the way our current 5th graders welcomed all of them to the building. They did an awesome job of greeting the new group and reading to them in the library to make each one feel comfortable. If you have a 5th grader please ask him or her about it. They should be proud of themselves.

The playground is still mostly snow-covered. If kids want to play on the equipment or in the field we do ask that they wear boots.

Winter Reading Challenge

Please keep your child home if they have a fever of 100* or greater, vomiting/diarrhea, persistent cough, unknown rashes, pink eye, or in general not feeling well. This helps your child get well faster, and helps reduce the spread of germs to other students and staff.

District Reminders

SchoolMessenger Alerts

Both the EPS District and each individual building regularly use a parent messaging system called SchoolMessenger to send emails and phone calls to parents, including monthly information about building happenings, as well as school closings.

If you did not receive a phone call and an email regarding our most recent School Cancellation, please reach out to your building secretary.

SchoolMessenger also allows recipients to “unsubscribe” from its mailing list; please understand that by “unsubscribing” you are completely removing your email address from ALL lists, including both District and building specific emails.

If you have previously unsubscribed and would like to begin receiving emails again, please let your building secretary know.

Digital Calendars

As a reminder, all EPS activity and event information can be found by visiting www.elkhornweb.org and choosing the “Calendar” tab in the header. From there, click the building whose activities you are wanting to view.

Additionally, download the rSchool: Activity Scheduler app for easy mobile access to middle school and high school activities and events.
