Arbor View Families,

Thanks for attending parent/teacher conferences. If you weren't able to make it to your scheduled conference we are happy to make it up. We really do want to meet with 100% of our parents. Please reach out to your child's teacher at your convenience if they haven't reached out to you already.

Movie Night is next Friday from 6:15 to-8:45. Please turn the slips into the office as soon as possible. We will take walk-ins that night but would like to have as many RSVPs as possible prior to the event.

REMINDERS FROM THE NURSE...

Please keep your child home if they have a fever of 100* or greater, vomiting/diarrhea, persistent cough, unknown rashes, pink eye, or in general not feeling well. This helps your child get well faster, and helps reduce the spread of germs to other students and staff.

Tech Savvy Parent Tip - Social Media Checklist

Safer Schools Together recently published the below checklist for parents whose students utilize social media as a conversation starter and tool for on-going checking-ins.

- Have a central charging station to keep devices out of bedrooms
- Set up any social accounts with your child to ensure appropriate privacy settings
- Know passwords to all accounts
- Regularly check privacy settings, as app updates can change them frequently
- Discuss strategies of what to do if someone they don't know approaches them online
- Talk to your child about what platforms are popular and why - take a keen interest to help with open dialogue
- Discuss positive and negative uses of social media
- Be mindful of and know what VAULT apps look like
- Remind youth of the permanence and public nature of all things shared electronically
- Ensure location services are turned off for camera and social apps
- Set up and utilize Find my iPhone or Android Device Manager
- Encourage youth to create a positive digital footprint as they grow older by utilizing social media platforms appropriately
