

October 2018 Booster Club meeting minutes:

**President's report:**

Still seeking an 8th grade parent to chair the 8th grade celebration committee! We need someone to replace Kelli.

We have the names of 4 out of the 5 parents volunteering for the scholarship committee. They have the information they need to get started.

**Treasurer's Report:**

We looked over a brief report of funds raised from the Fun Run.

We reviewed plans for the kindness committee to purchase dinner for teachers during conferences. One night the teachers will be getting pizza from a corporate donation. The second night they will be getting crockpot meals prepared by parents. A sign-up genius will be sent out for that.

We voted on a request to purchase 2 very large cooler for use by the booster club and eventually for use at other events like the 8th grade celebration. The vote was approved, about \$100 each for 2 large coolers. This will save us from borrowing from another school. We will see if Mr. Tomjack can find a designated spot at school for us to store them.

2 microwaves were delivered to the school for use in the cafeteria for students who bring their lunch to school. This item was voted on in the September Booster Club meeting. Mr. Tomjack said he will find a spot for these for storage and when in use.

**Other committee business:**

We brought up the issue of school board candidates speaking at our meetings. We had a request from one candidate and we discussed and voted in this meeting to agree to allow each candidate 10 minutes to speak to us about their platform for Elkhorn School Board. All five candidates have received a message inviting them to our November 1st Booster Club meeting. The poll we put up on our FB Booster page shows that many parents would attend if candidates come to speak.

**BoxTops-**

Our first round of BoxTop collection will be 22-26 October. There was an idea shared that students can help prepare these boxtops during 'pride time' .
