**May 2017**

### **From the Principal..... Dan Radicia**

I will miss the 2017 senior class and their leadership within the building. It is exciting to see emerging leaders and students who finally take risks to join or belong to an event or an activity that stretches them. I tell our seniors that it is ok to be uncomfortable, in fact, get used to it and thrive in those situations. The seniors had a celebration breakfast last week, Foundation Scholarship breakfast and the beginning of the end when it comes to testing. They tell me that they are ready to go- I believe them. Parents, if we did our work with our students, they should be talking about the next step in their lives, which means..... they are ready.

The 2016-2017 school year has been exciting; the level of engagement by our students is truly remarkable.

The junior and senior students who signed up for the Advanced Placement tests are preparing for AP tests and finals so they are maintaining an appropriate level of seriousness despite 13 days of school left for the seniors. Our attendance rates stayed consistent around the mid-nineties and the activities provided another engaging activity to connect with our school.

With the calendar shifting to May, our students are looking forward to summer break. April was a very important assessment month. The juniors completed the Nebraska State Assessment in the form of the ACT College Test. The students should receive their scores before the end of the school year. Be sure to check the ACT website for information regarding your student's scores. The 9th and 10th graders completed the Pre ACT which will serve as baseline information for the next two years.

Elkhorn High School would like to thank our teachers who are leaving EHS after years of service to our

students: French teacher Pam Kooiker, FCS teacher Barb Swarthout, Science teacher Craig Vinopal, Media Specialist Stephanie Jenkins, and Math teacher Allison Hajek will remain a teacher at ESHS full time. It was truly a privilege to work with these teachers as they served their school district and students with professionalism and sound instruction. Their work with our students has meaning and lasting value. I wanted to publically thank you for committing your time to public education and spending time with our students in the classroom and in special education.

As a reminder, Honors Night is Wednesday, May 17, 2017 at 7:00 p.m. in the auditorium. Parents, please encourage your student to attend this final ceremony acknowledging academic excellence. We have plenty of students to acknowledge. All National Honor Society students are expected to attend. Teachers will be contacting individual students to remind them to attend the ceremony and to tell their proud parents about the award.

Graduation will be held Sunday, May 21, 2017 at 4:00 p.m. in the EHS gymnasium. Please join us at the honors night and graduation ceremony to recognize the academic accomplishments of our students. Seniors should arrive for graduation **no later than 3:00 p.m.** on Sunday, May 21 in the auxiliary gym. Please remember that graduation is a ceremony; therefore, please refrain from bringing artificial noise makers that would detract from the audience hearing another graduate's name as he/she receives his/her diploma.

Seniors will be taking their finals for periods 5, 6, and 7 on Tuesday, May 16 and finals for periods 1, 2, 3, and 4 on Wednesday, May 17, 2017. We will have a senior

picture in the gym, graduation rehearsal, and seniors will turn in their completed senior checkout sheets to receive their cap and gown for graduation. **Seniors will be released around 2:15 on Wednesday, May 17.**

EHS students will be dismissed for final testing at 12:55 p.m. on Wednesday, May 24 and at 11:45 a.m. on Thursday, May 25, 2017. EHS will not be serving lunch on either day. The last school day is Thursday, May 25.

Report cards will be mailed home around May 30. I want to thank the parents for supporting their students and teachers during this 2016-2017 year.

I look forward to August and hope that our Elkhorn High School families have a safe and exciting summer.

Please feel free to contact me at dradicia@epsne.org or call 402.289.4239. It has been a pleasure serving as your principal.

### Senior News

**Senior Exit Information:** A letter was sent home in April to all seniors. Seniors were asked to return a sheet asking about future plans, final transcripts and scholarships by April 14th. **Additional scholarships received after this date can still be turned into Mrs. Dowd in case there is still time to be published in the graduation program. Please also bring in a PHOTOCOPY of any scholarship award letters you have received to Mrs. Dowd.** These can be emailed to [mdowd@epsne.org](mailto:mdowd@epsne.org). Also, final transcripts must be sent to the student's college of choice. If a student changes their college choice during the summer, email or leave a voicemail for Mrs. Frevert ([tfrevert@epsne.org](mailto:tfrevert@epsne.org)) and she will send a transcript.

**College Credits Earned:** If a senior has earned college credits either through dual credit opportunities or AP test scores, the student is responsible for completing the correct paperwork to have their college credits transferred to the college they plan to attend.

- When completing the AP test, students will be able to indicate which college scores should be sent. Scores will be sent to colleges in late July. Contact [www.collegeboard.com](http://www.collegeboard.com) if college choice changes.
- If your student was enrolled in a class for dual enrollment, contact the appropriate college for dual credit transcripts.

Funds raised from this golf outing and our Grant A Wish Campaign support the Elkhorn Public Schools Foundation Classroom Grants program, which funds grants in all of the 16 schools in the Elkhorn Public School district.

Classroom “wishes” are requested for programs like robotics, science equipment, research tools, anti-bullying seminars, school plays, new technology and more by teachers and principals from each school every year.

Your support helps us grant these “wishes” to enhance education for more than 8,500 students!
