## **EHS REGISTRATION for 2019-20 is almost complete.**

Thank you EHS parents for being part of the extremely important decision of selecting your student's courses for next year. I value your input in making the best decision for your child with the variables presented. The academic counselors met with each student to develop a 4 year plan and to discuss curricular offering. Selected teachers had the opportunity to provide input in the process as well for placement purposes to ensure that we were deliberate and thoughtful on our recommendations for parents to discuss with their child and eventually, sign the courses requested sheet so that the school can begin building next year's master schedule.

We still need more students to turn in the course selected parental signed sheets that were mailed home after parent teacher conferences. If you attended conferences, then you already turned in the sheet before leaving conferences.

If you were not able to attend parent teacher conferences, your student's registration paperwork for the 2019-2020 school year was mailed home last week with the report card. Please review the registration sheet, sign it, and have your student return it to the counseling center. **Registration sheets are due by Monday, March 4, 2019.**

**Please note:** Summer school contracts for summer PE and Personal Finance are due on March 8th.

## **Parent Teacher Conferences**

Our February Parent-Teacher conferences allowed me an opportunity to listen to the parents as they talked about their student's academic progress, participation in extra-curricular activities and the upcoming events. The conversations were very helpful because it gave me another opportunity to meet parents and understand their core beliefs and values. EHS embedded registration for 9th, 10th and 11th graders with two presentations each night so that our parents could understand more about our curricular offerings. Despite the cold weather, 56% of our parents showed up for parent-teacher conferences. If you were not able to attend conferences, EHS sent home a progress report showing the first 5 weeks of the 2<sup>nd</sup> semester. If you feel that you need to contact a teacher regarding your student's progress, please log on to EHS's PowerSchool, locate the staff's link and find the teachers' name with a hotlink and email them.

## **AP TESTING DEADLINE is FRIDAY, March 1.**

AP testing window for students in May 6- 17. Registration to sign up to take the test is due this Friday, March 1. If your child missed this due date, please see Ms. Fritz in the counseling center next week. The Elkhorn Schools Foundation is paying \$40.00 for each test; therefore, the cost of each test for the parent is \$54.00.

I appreciate the Elkhorn Foundation supporting our students and parents by believing in our results that they want to financially support each test administered. I know that our parents appreciate the financial partnership with the Foundation.

### **ACT for Juniors is April 2, at EHS—Prepare by Practice**

College placement tests: ACT and SAT are two standardized tests that colleges and universities use to select and sort students for scholarships and admissions. The admission officers analyze course rigor, grade point average, class rank and involvement with co and extra-curricular activities and clubs and the ACT score. There is a direct correlation between academic rigor and higher achievement scores on the ACT.

In fact, EHS students who take AP level course work, chemistry and physics, four years of math have scored 4 or more points higher than students who take the college prep course work. It is better to have a transcript that illustrates rigor than to take classes that are less difficult in order to inflate the grade point averages. Grade point averages have variables that universities cannot control: different grading scales among school districts, class rank for a graduating class of 38 compared to 305 or even 520 students. AP courses have to be approved by a national standard; therefore, admission officers tend to default to course rigor by means of AP coursework and the ACT/SAT scores.

Historically, the majority of EHS juniors takes the ACT for the first time in April and retakes the assessment the fall of their senior year before admissions and scholarships are due in January. Please encourage your student to practice taking the ACT before the April test so he/she feels comfortable taking close to a four hour exam. Practice tests are online at the ACT website and ACT resources and CD are sold at bookstores in the reference sections.

### **9th and 10th grade ACT practice test is April 2**

Our 9th and 10th graders will be engaged in the practice ACT test the same day the 11th graders are taking the ACT. We will have a schedule that reflects the testing day environment with no seniors reporting on April 2. Students will be dismissed after testing around 12:30. Juniors will be dismissed later because they will finish with the writing section of the ACT.

### **Winter and Spring Activities 2019**

The winter activities are almost over; the spring activities are beginning to emerge. Our girl's basketball team begins their title quest on Thursday morning at 9:00am. Around the school, spring activities are beginning their conditioning for the end of the school year. Thank you to all of our students, coaches, sponsors, parents and fans for your support and interests in our programs. The staff at EHS appreciates your help in creating a positive environment with our students. I look forward to seeing you at the various upcoming spring activities.

### **EHS Prom is Saturday, April 6**

The junior-senior prom will be held on Saturday, April 6, at Elkhorn High School from 8:30 p.m. to 11:00 p.m. with coronation at 10:30 p.m., parents are welcome to the coronation program. Our prom sponsors, Abby Thompson and Barb Schmidt, along with their Junior Class Boards, are working hard to make this a memorable social experience for our students. Prom is a formal affair, so the dress must be semi-formal to formal. The invitations should be received in the mail by the middle of March. Tickets can be purchased for \$20.00 during lunch starting on Monday, March 25. Doors for prom will close at 10 p.m. Senior parents will be valet parking and the high school administration is requiring that all students partake in the valet parking. All students will be breathalyzed upon entering the dance. The use of breathalyzers reminds our students and parents of the district's position of zero tolerance on the use of alcohol and creates a safe environment for all students. On the evening of Prom, staff will be using alco-sensors to check students as they enter the commons. The alco-sensors will only be used by trained staff members and if positive results are obtained from the breathalyzers, the student will be subject to discipline and the student's parent(s) or guardian(s) will be notified immediately. After-prom will be held at Elkhorn High School and a special thanks to the many junior parents who are working hard to create a safe, fun, parent-sponsored post-prom celebration.

**Make-up Days for Missed School Days**

As a reminder, EPS students will have regular classes on Thursday, May 23 & Friday, May 24. These two days were built into the school calendar to account for the first two missed school days due to inclement weather. There are no other make-up days scheduled at this time.

## College Entrance Testing for Juniors

A common question from junior parents this time of year centers around when juniors should take the ACT. Most students test twice—once junior year and once senior year. All juniors will take the ACT on Tuesday, April 2, 2019 at EHS. They will register at EHS for this test.

**ACT** test dates are: April 13, June 8, and July 13. Register online at [www.actstudent.org](http://www.actstudent.org). Registration deadlines are approximately one month prior to the test date and are found at ACT's website.

**SAT** test dates are: March 9, May 4 and June 1. Register online at [sat.collegeboard.org](http://sat.collegeboard.org). Registration deadlines are approximately one month prior to the test date and are found on the registration website.

**NOTE:**

\*\*\*Students with disabilities might possibly receive test accommodations. See your special education case manager for more information.

\*\*\*Fee waivers are available to students on Free/Reduced Lunch. See your counselor for information.

**Important note about score reporting:** It is the student's responsibility to submit test scores to their college of choice. Upon registration for the test, students can select up to 4 colleges to receive their test scores. To avoid paying to send your scores at a later date, please ensure that you have selected 4 colleges of your choice at the time of registration.

**TEST PREP RESOURCES**

Full length practice tests can be picked up in the Counseling Center. Visit the Counseling Center website or see your counselor for more information on test prep resources/classes.

**Juniors have access to free online test prep on Naviance**

## Senior Reminders

**Senior Future Plan Sheets:** Senior Future Plan sheets will be mailed home with Quarter 3 report cards. **Every** senior needs to return this to the Counseling Center. Information about sending final transcripts and scholarships is on this sheet. Forms are due no later than **Friday, April 13th**.

**Scholarship Information:**

- Check Naviance regularly for scholarship updates. Individual colleges are the source of the most scholarship dollars, so apply early and meet with the Office of Financial Aid on your college visits to ask specific questions unique to your student and your family.
- Visit the scholarship link on Educationquest.com for local scholarships and reputable national scholarship searches.
- Complete the FAFSA form as many scholarships and grants require this to be submitted.

## AP Test Registration

If your student is currently in an AP class, they will have the opportunity to take the AP Test in May. Based on the score of this test and the college they attend, they have the potential to earn college credit. Sign up in the counseling center.

## Exploring

### Omaha Career Exploring Opportunities for Teens

Exploring is a career education program for young men and women ages 14 through 20 under the Learning for Life organization. Race, religion, gender, sexual orientation, ethnic background, economic status and citizenship are not criteria for participation. Exploring's adult volunteer leaders give their time and expertise in order to provide real-world career experiences for young adults. The Exploring program is not about lectures and slide shows – it's about gaining practical, hands-on experience in a career field – resulting in a program full of activities that helps youth pursue their special interests, build character, and develop life and job skills.

Explorer posts can specialize in a variety of career skills. Exploring programs are based on five areas of emphasis: career opportunities, life skills, citizenship, character education, and leadership experience.

There are new exploring opportunities now. To see what is available now and possibility for next year, visit the directory on <http://www.omaha.exploring.org>.

## Tech Savvy Parent Tip: Device Usage Reports

Currently, both Apple and Android provide reporting features on the usage of a device in the form of Apple's "Screen Time" report and Google's "Digital Well-Being" report. Both options provide parents with an opportunity to better understand their child's device usage, from a broad report detailing the amount of time spent on the device, down to the number of minutes spent on a specific app. In addition, both platforms also allow the ability to limit time spent on specific apps, and the ability to create downtime by setting specific times of the day where the device is unable to be used for anything other than the specific requirements you put in place.

For more information, check out Common Sense Media's breakdown of "Screen Time" and "Digital Being" by following the appropriate link below.

Dear Parent/Guardian:

It is time to start thinking about this year's book of memories! For the sixth year in a row, we are offering an easy way for parents and students to purchase yearbooks--online. **Go to the listed website, type in the school name under "select your school," and the steps will guide you through your purchase.**

If you are unable to use the website or are uncomfortable with that process, you can send a check (for the appropriate amount from the timeline above) and list your child's name somewhere on the check. Your child can drop it off in C-208 OR mail it to Elkhorn High School, ATTN: Yearbook. Receipts for on-line sales will be automatically sent electronically. If purchasing with check or cash, receipts are printed upon request. (Cash orders are processed immediately in front of the customer).

The cost to produce yearbook has gone up over the years, but our price for you has not changed in at least the past ten years. With a full-color, ever-growing yearbook, we need to be able to cover the cost of production. With that being said, our starting price is still the regular \$50, but for a very limited amount of time. Take advantage of this, please. Procrastinating costs more money!

Our yearbook staff has already spent numerous hours getting ready for the 2019 book. We have an amazing staff of great people who are ready to document the moments of the year in this keepsake you need on your shelf forever.

Thank you very much!
