

January TA Topics for 9th Grade TA

- Counselors will be meeting with you during your English class to talk about classes that are available for you to register for next year
 - Begin thinking about the core and elective classes you would like to take next year. Talk to your teachers about classes that they see as a good fit for you. Talk to your parents about classes they think are a good fit for your potential career.
- After you have picked your classes counselors will be registering you for the classes that you picked during your English class.
- Your parents will see a copy of these classes at parent teacher conferences
