3 = 2 points	3 = 3 points
4 = 1 point	4 = 1 point
5 = 0 points	5 = 0 points
*Class rank is determined using weighted GPA	

### NOTE:

EHS and ESHS weights grades for AP classes only; not honors classes. If a student transfers with weighted grades, only AP classes will remain weighted for GPA purposes. Students must have earned a 1, 2, or 3 to earn the weighted grade. All other transfer grades will use standard quality points to determine GPA.
