ELKHORN MIDDLE SCHOOL

SEASON'S GREETINGS!

This holiday season, Elkhorn Middle School students will be engaging in various activities that promote social awareness. Many different groups will be trying to help those less fortunate have an enjoyable Holiday. Please take time to ask your student what type of activities are taking place to serve others. By supporting our school and students on these service projects, you will deepen the impact on both the families the students are trying to help and your child as well. Our canned food drive runs from November 26 – December 12, 2018 with all proceeds going to the Western Douglas County Food Bank. Please help us make a difference. The Celebration of Giving Project, "Mitten Tree", is going well! Students who selected a mitten should have all gifts back to EMS by December 5, 2018.

From all of us here at the "Classic" middle school, thank you for all you do and have a wonderful Holiday season.

DROP-OFF AND PICK-UP REMINDERS:

- * Vehicle drop-off and pick-up occurs on the south side of the building by the main entrance.
- * **When in the drop-off/pick-up line, please continue to pull forward into the front drive as space allows – even if it means you must drive past your student who may be on the sidewalk. A few extra steps for your student keeps the line moving for everyone.**
- * The bus loop on the east side is for BUSES ONLY during posted times.
- * The service road between EMS and Westridge is for deliveries and service vehicles only.
- * Please *do not* drive around the cement barricades between the bus loop and the service road.

Thanks to everyone for keeping the drop-off and pick-up procedures running smoothly and time-efficient!

ATTENDANCE REMINDERS:

A student may not leave school without a written note or phone call from the parent or guardian. This note should have the parent's telephone number on it, so that the note may be verified by the school staff. This notice for early dismissal must be presented to the school secretary before the school day starts. When students are late for school, a note or phone call from the parent or guardian must be provided to main office.

Students who must leave school during school hours will follow this procedure:

1. Bring a written note or have your parent or guardian call the main office. The written note should have the parent or guardian's daytime phone number.
2. Submit the note to the main office before going to your first class.
3. Pick up an early dismissal slip (if necessary) from the main office before leaving.
4. Students must sign out in the main office when leaving the building during school hours for any reason.
5. If you return before the school day ends, report to the office to sign in and get a pass.

WINTER BREAK

***No School December 24–January 4. School Resumes January 7, 2019.

SchoolMessenger

The district will be utilizing the phone system to inform students and parents of school closings due to inclement weather.

PUBLIC WEATHER ANNOUNCEMENTS

When weather conditions exist that would jeopardize the safety of student's travel to or from school, information about school closing will be broadcast over radio station KFAB (AM 1110) and the four local television stations. If school is to have a delayed start or be canceled, announcements will begin on those stations at approximately 6:00 a.m.

LET'S MAKE A DIFFERENCE!

We are hosting a canned food drive here at Elkhorn Middle School, and we need your generous donations. Our canned food drive runs from **November 26– December 12, 2018**. All proceeds will go to the Western Douglas County Food Bank. Please support our school and send your canned foods, macaroni and cheese, peanut butter, etc., to school with your student. Students who donate canned items will participate in a canned food sculpture challenge. Have fun with your class teams and help make a difference!

Thank you for your support! EMS Student Council

YEARBOOKS ON SALE

Elkhorn Middle School yearbooks are on sale now for \$32.00. This price is good until January 15, 2019, when the price will go up to \$37.00. A limited number of books have been ordered, so it is important to place an order to be guaranteed a book. [Click here to purchase a yearbook](#), or bring a check or cash to the EMS office.

SAVE THE DATE

8TH GRADE HIGH SCHOOL REGISTRATION

Wednesday, February 27, 2019: 8th Grade Registration/Parent Night
5:00 pm or 7:00 pm in the EHS Auditorium

WE NEED GUEST SPEAKERS — ATTENTION PARENTS:

Every year in January, we host an 8th grade career day for our EMS students. I am looking for career speakers for January 25th. If you are interested in sharing your career (about a 30 minute time commitment), please call me at (402) 289-2428. I look forward to hearing from you. Thanks! Ginny Owens, EMS, Counselor

WINTER APPAREL

As the winter season grows stronger, please make sure your student comes to school dressed for the weather. Many times students may arrive early in the morning and may have to wait outside in the cold until supervision begins and they can be brought inside. Students also may have an unexpectedly long wait after school due to unforeseen circumstances. We make every effort to make sure kids are not out in the cold for long periods of time. However, for the safety of your child, they need to dress appropriately.

WASHINGTON DC TRIP

7th graders: Sign up now for the October 2019 Washington DC trip. Both the student and parent meeting will be in January 2019. The initial student meeting will be the first week of January at school during the day. The parent meeting will be January 17th at Elkhorn Valley View Middle School. Information packets will go home the first week of January.

Please contact Mrs. Hingorani for more information at ahingorani@epsne.org

BOOSTER CLUB KICKS OFF HOLIDAY HURRAH PROGRAM:

On Monday, November 26, your student received an envelope highlighting the Holiday Hurrah program at EMS. This is the 10th year of Holiday Hurrah and gives us the opportunity to say "Happy Holidays" to all the staff at Elkhorn Middle School. During elementary school, it's much easier to show holiday cheer to a teacher but once the kids get to middle and high school, there are so many teachers and staff that spend lots of quality time with them and that we want to thank. Holiday Hurrah is an opportunity to make that happen.

Ask your student about the envelope they received. Program highlights are:

- * Your student can deliver monetary donation (in the envelope provided) to the "Hurrah Box" in the office.
- * The Booster Club will have all students sign holiday cards during lunch hour on Monday, December 10.
- * **December 11** is the last day to turn in donations. 100 percent of your gift goes to the staff. We will equally divide the donations to ensure all staff (teachers, teacher assistants, office personnel, Sodexo, and janitorial) receive a card and monetary gift to wish them a very special holiday season.
- * **December 19** the staff will receive their cards and a holiday dessert buffet will be set up in the teacher lunchroom.

EMS BOOSTER CLUB NOTES

NO DECEMBER OR JANUARY BOOSTER CLUB MEETING. Happy Holidays and we'll see you next year!

LIKE US ON FACEBOOK <https://www.facebook.com/ems.boosterclub.52>

We have been playing some fun FACEBOOK FRENZY contests in November. We have given away donuts, popcorn, candy canes, \$20 toward EMS apparel, FALA's gift certificates, Sky Zone passes, and JJ's delivered for lunch! Winners this month: Tai Johnson, Christy Todd, Sarah Stika, Paula Koelzer, Jennifer Chard, Julie Lacey, Erin O'Donnell, Michelle Burkman, Amanda DiNapoli, Jaci Riley, Rosita Henry, and Katie Steffen.

CONCESSIONS: We still have a few open shifts. It is a fun way to meet other parents and support your school.
<https://www.signupgenius.com/go/4090f4eaba722aafd0-emsspring1>

BOX TOPS are an easy way to help raise funds for our school. Send in 10 Box Tops with your child's name and Hi-5 Teacher, and your child's name goes into a monthly raffle to win \$10 cash!

APPAREL orders from November will be back before holiday break. If your order is a gift and you need special delivery arrangements, contact WendyMooreOmaha@aol.com for help.

Thank you all for supporting EMS with your order!

There is still time to volunteer for tasks relating to Holiday Hurrah.
<https://www.signupgenius.com/go/10c0c48a4ac29aaf49-holiday1>

Thank you to the volunteers who worked the EMS Health Screening in November: Jennifer Mehaffney, Kasey Comstock, Crissy Wortman, Tammy Koley, Joe Griffith, Megan Raiser, Liping McColly, Kerry Benes, Melissa Brott, Jennifer Knutson, Rosita Henry, Beth Sufficool, Amy Love, Tifani Anderson, Jen Peterson, and April Horstman Reser. Many thanks for your time and effort.

LIBRARY NEWS- MS. HARTMAN

On October 31st, the library held a "reading in the dark" day for 6th and 7th grade reading classes. Book displays featured mysteries, ghost stories, unexplained events, and suspense. Small flashlights were handed out as students entered the library and part of the class period was spent reading by flashlight.

The third annual Sphero Robot Programming Challenge started November 12th. Students may drop in at scheduled times before or after school or during study hall time with teacher permission. We will add levels to our challenge this year, including more advanced programming language (loops, variables, conditionals) and if all goes as planned, we will conclude with a challenge that requires text programming. This is open to all students. The library also has a drop-in "coding corner" containing two Raspberry Pi stations with challenges as well as micro:bits available for checkout. As always, this is for students who are caught up on all assignments.

There will be designated days in December for students to participate after school in board games and also learn what it takes to illustrate a graphic novel. Dates and times for each activity will be given on the daily/weekly announcements. Also look for the library's winter scavenger to run from December 6th through December 17th.

With the holidays approaching, we generally have several requests for raising our 3 book checkout limit. If students are able to manage (keep track of) more than 3 books over winter break, they are welcome to make arrangements with the library. Approximately 600 ebooks are also available for online reading or downloading through the EMS library using the Destiny Discover app.

6TH GRADE NEWS

MRS. CHANDLER, MRS. GRAGERT, MRS. HINGORANI, MS. MEIER, MRS. KLUENDER, MR. KMENT, MRS. YALE, MR. PREISSLER, MRS. WELLS, MRS. YOUNG, MS. NIEMANN

In Reading with Ms. Chandler, students will be studying elements of fiction. A DCA (District Common Assessment) will be given just before winter break.

In Language Arts with Mrs. Young, we have written a lot of great descriptive, narrative, and persuasive paragraphs. Next, we will work on essay writing. Students will first practice organizing their ideas and writing five paragraph essays that are filled with vivid creative details. After that, we will focus on academic writing with text dependent analysis essays.

Math 6th classes have been working on the relationships of decimals, percents and fractions. They will continue to focus on that before starting their integers unit.

Pre-Concepts students will be finishing up their fraction (with negatives) unit and then they will focus on decimals.

In Science class, students will explore cells in December. In January, students will learn about how different body systems (respiratory, circulatory, nervous, etc.) work together to help humans function.

Social Studies students will continue a unit over Basic Economics.

7TH GRADE NEWS

MR. BEARD, MRS. BURSON, MRS. HINGORANI, MRS. HOLLMAN, MRS. KLUENDER, MRS. YALE, MS. MEIER, MRS. MULDOON, MRS. YORK, MRS. WELLS, MRS. MATUELLA

In Science we just finished our earth science unit and are beginning our human body unit. In this unit, we will explore the human body systems and their major functions.

In World History, students will continue to study some of the major Religions of the World, as well as Ancient Greece and Rome.

In Language Arts we will be spending the month of December working on expository writing. This is a large project, so students have constant access to the calendar, requirements, and examples on Google Classroom. Students will be proud of the end product of a complete functional website! After the website project, we will be writing text-dependent analysis essays. This academic writing will be revisited throughout high school, and our unit will end with a district common assessment.

In Reading we will be ending our unit on elements of fiction while reading *A Christmas Carol* by Charles Dickens and taking the common assessment over the material before winter break. AR goals for second quarter are due Monday, December 17. In January, we will be studying nonfiction organizational patterns before moving into figurative language.

In Math 7, students will spend December and January studying properties of numbers, simplifying algebraic expressions, and solving linear equations.

In Pre-Algebra, students will be involved in a geometry unit, including the Pythagorean theorem, similar shapes, and angle relationships.

8TH GRADE NEWS

MRS. BAUMERT, MRS. COLLINGSWORTH, MRS. GRISHAM, MS. GUTSCHOW,
MRS. HOLLMAN, MRS. BARTH, MR. HULTMAN, MRS. MULDOON, MR. PREISSLER,

Things are going well this quarter. We are all busy with projects, competitions, and state standards. Students are doing a lot of reading as well. We hope you all have a wonderful holiday break and will be ready for the new semester January 7th.

In Language Arts we are learning, practicing, and applying skills in research and in text-dependent analysis. We will use the research process several times between December and January in preparation for an independent research assessment. Students will be evaluating sources for reliability, reading critically, paraphrasing and summarizing information, writing a research essay, and completing a formal citation page. We will also partner with Mr. Hultman's reading activities here and there to improve our text-dependent analysis reading and writing.

In Science we are going to be starting the Transfer of Energy unit and Genetics.

In American History we will be finishing the semester with our unit over Manifest Destiny. We will begin the second semester with the Civil War.

In Reading class our 2nd AR goal is due December 10. We will continue to work on Analysis of Nonfiction, concluding with our District Common Assessment of Nonfiction in early January. Finally, our last four vocabulary units of the semester, Unit #7, 8, 9, & 10, are being covered now through December 14. Our summative vocabulary test is Wednesday, December 19.

In Algebra we will be working with systems of linear equations and inequalities. We will have a semester test for algebra. In Pre-Algebra, students will be solving equations, as well as solving and graphing inequalities. Students will have their second District Common Assessment at the end of the semester.

CHORUS NEWS- MRS. WORTMAN

Congratulations to over 280 6th, 7th and 8th grade chorus students on a job very well done in their first concert held November 6th. I am so very pleased with the number of vocal music concepts they embraced in the preparation of very challenging vocal scores. After the evaluation of our concert we have begun preparation for our upcoming DCA in rhythm. We will also learn piano skills to help us with ear training and sight-reading.

Many students have asked me if it is too late to join chorus—the answer is “we’d love to have you” just bring a note from home or call the Counseling Center and we will put you in a chorus class.

The Show Choirs are busy sight-reading music and learning choreography for the upcoming performances and festivals.

The “Classics” 7/8 show choir will perform at the 6th and 7th grade concerts on Monday, March 4th and Tuesday, March 12th. They will also complete in three festivals. They are” Saturday, February 2nd at Elkhorn High School and Millard South High School, and Friday evening, February 8th at Elkhorn South High School.

All the chorus classes have started sight-reading music for upcoming concerts:

- 8th Grade Chorus at EHS — Monday, February 25 at 7:00 p.m.
- 7th Grade Chorus, Band and Jazz Band and Show Choir — Monday, March 4 at 6:30 p.m. at EMS.
- 6th Grade Chorus, Band, Jazz Band and Show Choirs —Tuesday, March 12 at 6:30 p.m. with Hillrise, Arbor View and Westridge 5th Graders. This concert will be held at Elkhorn High School.

BAND NEWS

MR. EDWARDS

8th Grade All-State Band - Congratulations to Esher Swanson (Clarinet) and Nolan Seifried (French horn) for being selected for the 2019 Nebraska State Bandmaster Association 8th Grade All-State Band! Over four hundred students from all over Nebraska auditioned and these students were selected to be members of the 82-member band. The event will be held on January 19, 2019 at Kearney High School with the final concert at 4:00 pm. Thank you to all the other students who auditioned. Although not selected, they put in countless hours practicing and preparing audition materials. Their efforts and work are greatly appreciated.

December 14th - 6th Grade Pep-Band at EHS – On Friday, December 14th, the 6th Grade Band has been invited to perform with the EHS high school band at a varsity basketball game. More details will be sent home with the students as we get closer to the event, but students should plan to report to the EHS Auditorium by 7:15 pm that evening. Students will be dismissed at 8:30 pm. Participating students will be admitted to the game free, but parents and siblings will need to pay normal admission or show their Elkhorn activity passes to attend the game. Dress for this event will be jeans, tennis shoes, and the red EMS “Noteworthy” polo shirts (tucked in). This is always a fun evening for the students so please put it on your calendar!

6th Grade Instrument Switchers and Doublers – We are at that time of the year where we are looking for 6th graders to switch to some of the “color” instruments of the band. These instruments include French horns, tubas, double reeds (oboes and bassoons), bass clarinets, and tenor and baritone saxophones. While limited in number, these instruments play a vital role in every quality band program. These instruments help add tone quality and depth to support the sounds produced by the instruments we already have in the band. Over the coming weeks we will be letting interested students (whose parents/guardians have contacted Mr. Edwards with their permission) try these instruments to see if they are a good match. Interested students should talk to their parents/guardians about the possibility of switching. They should also be doing well on their current instrument, demonstrate a desire to practice often and plan to continue at least through 8th grade and hopefully continue into high school band. For those interested, it is possible for students to double (play two instruments) rather than switching to the new instrument and discontinuing the current instrument. In 7th and 8th grade, this would mean playing one instrument for concert band during school and another instrument for jazz band before school. In many instances, there are school instruments available, although the quantity is limited. Please feel free to contact Mr. Edwards at school by email or phone if you have any questions. Parents/guardians will be contacted personally before any decisions are made. Our intention is to have the entire process completed by winter break. Thanks again to all parents/guardians for their continuing support of music in our schools.

Concert Attire- Please note that for the following concert dates students are to be in “concert attire.” This includes the band polo shirt (tucked in), black pants (no leggings, sweat pants or yoga pants), black socks, and all black shoes that have non-white soles and black laces. We are asking girls who wear black “flats” to be sure to wear black socks. Simply stated, we are asking for “black from the waist down.” We hope this more detailed information will be helpful to parents and guardians as you plan for our 2018-19 performances. Please contact Mr. Edwards if you have any questions and thank you for helping our band look as uniform as possible with the performance outfit we are using this year. Thank you to everyone who helped make sure our students looked so uniform for our November 13th concert!

February 18th Concert- On Monday, February 18th, the 8th Grade Band will be performing in concert at EHS. In addition to performing their own music, the 8th grade bands from EMS and Grandview will combine with the high school band for a selection. The concert will take place in the EHS auditorium at 7:00 pm. Band students will need to report to the EHS music area at 6:15 for warm-ups.

March 4th Concert- On Monday, March 4th, the EMS 7th Grade Band and Choir, as well as the Jazz Band and Show Choir, will be performing their second concert of the year. The concert will take place in the EMS gym at 6:30 pm. Band students will need to report to the band room by 6:00 for warm-ups.

March 7th EMC Middle School Band Festival- On Thursday, March 7th, the 7th & 8th Grade Bands will be traveling to Waverly for the 9th annual Eastern Midlands Conference Band Contest. Performance times are not yet available, but students should plan to report to EMS by 7:00 am and plan to be gone most or all of the school day. School transportation will be provided for all students.

March 12th Concert- On Tuesday, March 12th the EMS 6th Grade Band and Chorus students as well as the Show Choir and Jazz Band will be performing their second concert of the year. Joining us at the 6:30 pm concert **at Elkhorn High School (EHS)** will be 6th grade students from Arbor View, Hillrise and Westridge elementary schools playing their recorders. The concert will take place in the EHS gym. Band students will need to report to the EHS band room by 6:00 pm for warm-ups.

★ SAVE THE DATES ★

Important Registration Information from Elkhorn High School Counselors

Wednesday, February 20th, 2019

High school counselors will visit the middle school

High school counselors will travel to the middle schools to distribute 9th grade registration materials. Students will receive a copy of their registration sheet outlining courses offered to prospective ninth graders and specific course recommendations. Recommendations are based upon advice from high school administration, teachers, counselors, and test scores. Students will also receive a copy of the curriculum guide. This guide includes information on curriculum, academic planning, and activities.

Parents are encouraged to discuss the 9th grade course recommendations and elective courses with their 8th grader before February 27th.

Wednesday, February 27th, 2019

8th Grade Registration/Parent Night

5:00 pm OR 7:00 pm EHS Auditorium

Please bring the registration sheet your student receives on February 20th to registration night

Parents and 8th graders are invited to Elkhorn High School on February 27th at 5:00 pm or 7:00 pm. Please come to whichever time works best for your family. Parents will pick up additional registration materials at the door and then proceed to the auditorium. At that time, counselors will present an 8th grade orientation and curriculum PowerPoint. After the presentation, parents will complete course selections and sign the registration form to verify course selections. Forms will be collected at the end of the evening.

Interested in EHS music offerings?

Please join us for a "Taste of Music" in between the two sessions

JV Show Choir "Exclamation" 6:20 – 6:35

Jazz Band 2 6:40 – 6:55

8th Grade Celebration – May 4th, 2019 7:00-9:30pm

We would love to have some business partners. If you own or work for a business that would be willing to partner with us, below is what we're seeking:

T-shirt sponsor	\$1,000
Inflatable sponsor	\$600
Food sponsor	\$500
D.J. sponsor	\$400

If you are unable to sponsor any of these items in their entirety, partial amounts would be welcomed.

Sponsors will receive recognition on all celebration communications along with signage at the event.

Registrations will be coming home in January and there is still plenty of time to help with the planning if you're interested.

The next committee meeting will be:

Date: Wednesday, Feb. 27, 2019
Time: 6:30pm
Location: Scooter's Coffee
1119 N. 204th

If you would like to help with the celebration but are unable to attend the meeting, please contact Heather Oestmann at olestfam6@gmail.com or (402) 289-2808.

District Reminders

TECH SAVVY PARENT TIPS

Cyberbullying: Tips and Tricks for Kids

Cyberbullying is defined as using technology or electronics to bully an individual via the sending of intimidating messages. Given the popularity of online social media, most students have, or will, experience cyberbullying.

Below are 5 tips you can share with your child if they encounter cyberbullying:

- 1) Don't respond or retaliate
- 2) Block the bully, including phone numbers, screen names, and email addresses
- 3) Save the evidence
- 4) Report on the platform where cyberbullying is experienced, as most social sites include a "report abuse" feature
- 5) Tell a trusted adult

For more information on how to combat cyberbullying, visit www.common sense media.org.

Elkhorn Public Schools Policy 507.13—Internet Safety Policy was written in compliance with the Children's Internet Protection Act. Tech Savvy Parent tips are intended to inform and educate parents of technology that may be available to their students. Tips may feature apps that are educational as well as those that may be a cause for concern to parents.
