Parents and Guardians of Elkhorn South Students:

I hope that your students and families are now settled back into the routine of the school year. From my office, the year has started extremely well and I believe this trend will continue.

A Glance at 2016-17 Elkhorn South Data

Elkhorn South administrators and teachers closely monitor numerous sources of data in order to ensure that our curriculum is appropriately challenging and meeting the needs of our students. Annually, we eagerly await the ACT Report and the Advanced Placement (AP) scores that are released in late summer to early fall. These measures are not the only feedback we study, but we believe these are important indicators in judging the effectiveness of our academic programs at the high school and are meaningful for our students.

ACT Data

Given the high stakes nature of college entrance exams, we feel an obligation to our students and parents to prepare students fully for the college readiness assessments. This year's ACT data shows ESHS far exceeding state averages in all four areas (English, Reading, Math and Science). Elkhorn South students' average composite score was 25.3 compared to the 21.4 State average and we were proud to have over 90 percent of our students taking the test.

<i>ACT Average Score by Content Area of ESHS GRADUATED CLASS</i>

AP Test Data

Elkhorn South offers eleven Advanced Placement (AP) courses to students in 10th, 11th and 12th grades. AP courses are designed to give students college level experiences while in the supportive environment of high school and research clearly supports students taking the most appropriately rigorous courses in high school to prepare for college. In essence, one of ESHS's goals is for students to not only gain admittance into college, but to achieve at high levels once there. When studying AP results, two indicators must be considered: the number of students taking the exams and the number of students that score successfully on the test. AP defines success as an exam score of "3" or higher, which research finds to be a predictor of college success. Below is a summation of Elkhorn South's AP test scores takers and scores compared to Nebraska and global averages. This year, 216 of the 304 Seniors (71%) and 228 of the 317 Juniors (72%) are enrolled in at least one AP Class.

As we discuss with our staff annually, academic growth does not happen by accident. Development is earned through the hard-work and perseverance of our students, staff and parents. We also emphasize the importance of challenging students to take classes that are appropriately rigorous to spur academic growth and curiosity. We believe that asking anything less than what our students are capable of leads to short-term success, but long-term failure.

Again, I hope that your student's 2017-18 school year is off to a great start and as always, please email or call me if I can be of assistance to your family.

Take Care,
Mark

Student Handbook Highlight: DRESS CODE

As summer seems to be extending itself, it is worthy to review handbook guidelines regarding dress and appearance. "The high school dress code is one of common sense, parental approval, and personal pride...Clothing is not to be too tight, too short, too bare or so extreme as to be immodest." Under these parameters, the chest, buttocks, and midriff should be covered at all times. Additionally, clothing displaying or referencing drugs, tobacco, alcohol, sexual innuendo or nudity are not permissible. Students in violation of this will be asked to change and may be sent home for a change of clothing. Please help us in preventing this loss of instructional time by assuring your student is making appropriate and prideful clothing choices before leaving home.

ATTENDANCE AND TARDY POLICY REMINDERS

- We understand that sometimes situations arise that cause students to be tardy to school, thus there are no consequences for the first two times students are late. Therefore there is *no such thing as an excused tardy* without documentation from a professional appointment.
- Students are considered tardy when they arrive to school after the 8:10am bell. ***Students are considered absent, if they arrive after 8:25am.***
- Please call ahead to the attendance secretary for your student's scheduled appointments. If ample time is given, we can have the student awaiting you in the main office.
- ESHS is a closed campus and students are not permitted to leave for lunch. The practice of excusing students to go out for lunch creates disruption to the school day and is unnecessary.

Reminders From Your School Nurse...

We want to take great care of your child, and one way to help us do that is to provide the health office with current health information and medication needed for your child. If your child has any health needs such as Asthma, Severe Allergy, Diabetes, Seizures, etc we must have an action plan on file that is signed by the doctor and the parent. This information is very important, so we know exactly what is best to do for your child, in the event of an emergency. Please remember if your student has any medications such as an Inhaler, Epi-Pen, Benedryl, etc to be used in an emergency situation, we need to have those available at school, with a signed medication authorization, so trained staff can administer. If your child requires any medication while at school, this includes all prescription and/or all over-the-counter (e.g. ibuprofen, acetaminophen, cough drops, etc) ALL MEDICATION requires a medication authorization, signed by the physician and the parent. All medication must be unexpired and provided in the original store packaging or pharmacy labeled container

On the web, there are two places to obtain information on academic, career and college planning. The counselors use these links as important communication tools for students and parents.

<http://www.elkhornweb.org/schools/eshs> This site contains information for all students.

<http://connection.naviance.com/elkhorn> Naviance is our college and career planning tool, complete with personality inventories, career information, college search tools, and more. Students can access their accounts by using their user name and passwords used to log into Turn It In and Moodle.

We often answer questions about what it takes to gain acceptance into NHS. All juniors and seniors with a 3.5 cumulative GPA are invited to apply. Visit www.elkhornweb.org -ESHS-Activites-NHS for the application, which includes documenting activities, awards, and service hours. Service hours must be verified with a signature of the person in charge of the event. We encourage students to collect signatures as they complete their service hours rather than trying to collect them later. You can either print the NHS application and collect signatures there or collect signatures on loose paper and submit these with your application. It's also a good idea to track activities and awards as you go. Students can do this on the application or can create an activities resume at www.educationquest.org.

AP Classes & College Credits: AP tests are given in May. Visit www.collegeboard.org for information about AP college credit transferability.

Dual Credit Offerings: These classes are offered for college credit. Students are responsible for registration and tuition and will receive information during the first few weeks of school if they are in a class that qualifies for dual credit. Students must have a 3.0 cumulative GPA and meet deadlines to apply. Check with your intended college to see if credits transfer, as each college has their own policy. Check our website under Academic Planning for more info.

PRIVIT Instructions are available for ESHS, EVV, and ERMS students. Only update each year!

Welcome Elkhorn South Fans!

The 2017-2018 school year is ready to go, and the ESHS Activities Department would like to invite each of you to attend one of our many contests in either athletic or extra-curricular events.

Adult Athletic passes are available in the Activities Office for \$55.00 each. This pass will enable a patron to attend all ESHS home activities for the school year, with the exception of Metro Conference and District (NSAA) level events. Student activity passes are \$35.00 each, and must be purchased by all athletes in grades 7-12. Students will receive a photo activity pass upon payment of this fund. Funds raised by the sale of activity tickets will be used to reduce the general fund contributions to the activities fund and to add revenue to the activities fund to meet the rising costs for athletic programs. Your support is greatly appreciated.

Admission prices for this year will be **\$6.00 for adults, and \$4.00 for students** for all varsity contests. **\$3.00 for adults and \$1.00 for students** at all lower level contests.

It is an amazing program!

IMPORTANT FAQ's Regarding Activities/Athletics

I have compiled the ten most frequently asked questions that occur during the school year. Hopefully this may aide in the communication between the school and your home.

1. Academic Requirements. Elkhorn Public Schools uses the same set of standards for all extra-curricular programs. This standard follows the NSAA rule of 20 credit hours passed the previous semester. This is the equivalent of 4 full-time classes passed. This rule applies to ALL extra-curricular groups at EHS.

2. Activities Code. Training rules violations are *cumulative* for each school year. Example: A student who is in violation during the winter sports season has one strike against them. If the same student then violates a second time during either the same or another season that they are a participant, they then have a second strike applied. These rules apply to all 7-12th grade activities participants. Please refer to the EPS Activities Handbook for more complete information.

3. Attendance. On a normal school day, students must be in attendance for a 1/2 day immediately prior to the scheduled game or practice. For example, this would mean a student would need to be in attendance at **the start of 5th hour** at the HS building. Professional appointments are EXCUSED. See your head coach, or contact the A.D. office for more specific expectations.

4. Activity Fee. All participants in MS and HS sports programs are required to pay the \$35 student activity fee. All students are encouraged to purchase this same activity ticket the opening week of school, as it is their free pass to attend all Elkhorn contests at no charge.

5. Forms-Clearance to participate. Available to complete online at: www.elkhornweb.org/storm -PRIVIT Online Forms. Complete online along with the \$35 activity fee prior to beginning practices or conditioning.

6. Lettering & Letter Jackets. The E-Club will give each student their initial athletic letter, complimentary, at the completion of the season for which they participated. Each coach has specific standards for lettering requirements. Parents may purchase letter jackets, patches, chevron's and pins from local sporting goods suppliers. ESHS has a specific form you can take to the sporting goods store to insure they complete your jacket correctly. These forms are available in the AD office.

7. Domicile Rule. Students MUST live in the Elkhorn School District to be eligible. Any student living outside the district boundaries must complete transfer information with Dr. Bary Habrock, Superintendent of Schools.

8. Off-Season Programs. Please see your head coach prior to participation in any outside programs. Elkhorn South High School will obviously support in-season programs FIRST. No students may "work out" on their own in any EPS facility. Supervision is required due to liability reasons.

9. What time does the game start? Unfortunately when battling Mother Nature, she usually wins! For the most current and up-to-date information, please check our information at: www.mhsaaconference.org Please navigate your way to whichever sport and level of play you are interested in!
