From the High School Principal- Mark Kalvoda

The first quarter of the 2018-19 school year is well underway and we hope ESHS students are acclimating to the routines of being back at school. The year has been a flurry of activity as students adjust to being back on campus. I appreciate their efforts and perseverance as well the efforts of our staff and parents in setting high expectations for learning. While our students seem to be busier every year, their ability to manage time and balance academics and activities is astonishing. Our student's academic success has been and always will be our ultimate focus. We will continue to challenge our students with relevant and rigorous curriculum in order to fully prepare them for their remaining high school years, post-secondary education and beyond. I look forward to seeing our students respond and succeed. While clearly our focus is academic achievement, I would be remiss if I did not mention how proud I am of the school spirit showed by this group of students. From rooting on friends at games, to actively participating in school activities, to creating posters of support, our students are showing school pride and representing their school with class.

Around mid-quarter progress report time, our students are in the routine of understanding classroom expectations with respect to homework and practice, note-taking, reading and writing, and critical analysis. Please encourage your student to do his/her best and to be prepared for classes by spending time studying and reviewing notes, assignments, textbook selections, and supplementary material. It is critical for students to develop favorable study habits that reinforce learning. I am very appreciative of the many hours our students designate to their schoolwork and for the high expectations that our parents set for students completing homework and being prepared for school. Undoubtedly, the habits they form today will serve them well in future high school classes, college classes and beyond.

Elkhorn South High School faculty and administration continue to create and enhance school-wide Intervention systems to support student learning. Our ongoing interventions are intended to maximize student achievement by monitoring student progress and creating accountability within the learning process. Homework is essential to the learning process because it reinforces practice of new knowledge and content. Homework and practice are researched best practices that positively correlate to increasing student knowledge. I would like to inform our parents about two of our school-wide intervention systems that will help encourage learning and homework completion. The After-School Academy and the Guided Study Programs are described below:

After-School Academy - The Student Assistance Team continues to offer a structured study environment after school, complete with tutors and teachers. Any student is welcome to stop by and seek help, get caught up on assignments, or form study groups. While students are encouraged to attend on their own, we are requesting help from parents to encourage or even require their student's attendance. If students get behind in their classes, attendance may become required by the school in an effort to hold students accountable for their learning. The After School Academy is held in the Media Center Monday-Friday from 3:30-4:30. In addition to After School Academy, Elkhorn South will often place students in Academic After Hours. Academic After Hours sessions run weekly on Thursday evenings from 3:30-6:30pm and Saturday mornings from 8:30-11:30am. This sustained block of time affords students a quiet, academic-focused area to complete missing assignments or prepare for upcoming assessments.

Parent - Teacher Conferences

Tuesday, October 16th
Wednesday, October 17th
From 5:00—9:00 pm

1 Hour Early Dismissal
At 2:20 pm

Guided Study Program - The Guided Study Program is an intervention for students who need additional academic support during the school day. The Guided Study program operates in addition to traditional study halls. Regular education students are placed in Guided Study after a student has received two or more grades of 5 on a mid-term, quarter, or semester grade report. Students may return to regular study halls after he/she is passing all classes with a 3 or better on a mid-term, quarter or semester grade report and express confidence in his or her abilities to be successful without the program. Certified teachers and a student assistant work with the guided study students to encourage them to organize their work and improve their study habits, monitor student progress by reviewing mid-term reports and grades via PowerSchool, monitor usage of the student agenda for assignments, insist that students are engaged in constructive work each day, communicate with classroom teachers regarding student progress, provide academic support and assistance as needed and reinforce the importance of education.

Parent-Teacher Conferences will be held at Elkhorn South High School on **Tuesday, October 16th and Wednesday, October 17th from 5:00-9:00 pm.**

Students will be dismissed from school on these days at 2:20. I would encourage you to meet with your student's teachers and discuss his/her academic progress. Parent- Teacher Conferences allow conversations between two very important stakeholders in the learning process. Please make note of the times and dates and make attendance a priority for your family.

If you would like to contact me to discuss concerns, ask questions or comment, please call me at 402-289-0616 or email me at mkalvoda@epsne.org.

I look forward to working together to maximize our students' opportunities for educational excellence here at ESHS.

NATIONAL MERIT COMMENDED STUDENTS

In September, about 34,000 of the approximately 50,000 high scorers on the PSAT/NMSQT® receive Letters of Commendation in recognition of their outstanding academic promise. District Reminders

TEAMMATES MENTORING TO BEGIN AT EPS SCHOOLS

Together We Transform Lives

As Elkhorn Public Schools continues to experience significant growth throughout the District, our student population continues to diversify and the need for extra student support increases.

As a result of this growth, EPS recently made the decision to transition our current, district-run Partners in Education Mentoring Program into a chapter with the TeamMates Mentoring Program. The TeamMates program provides more structured support for the wide variety of backgrounds and interests that can be found in EPS students and brings more mentors into our program while allowing us to retain the majority of our current mentoring relationships already in place.

If you are interested in becoming a TeamMates mentor in the EPS District, please complete the online application by clicking [here](#) or contact Kara Perchal at kperchal@epsne.org for more information.

TECH SAVVY PARENT TIPS - APPS TO KNOW

Classlink: Elkhorn Public Schools

ClassLink is a single sign-on platform that allows students to use one username and password to access online resources already being used in the classroom, including online textbooks, Moodle courses, and more. ClassLink saves all school related passwords within the security of your ClassLink Password.

ClassLink is a safe, secure way for students to connect with applications and resources. The website does not collect or share any personal student information, which is important to us. Best of all, it is very easy to use and is a great resource for students and families.

Information about getting started with Classlink for EPS students can be found [here](#).

PowerSchool App

The Elkhorn Public Schools District uses a student information system called PowerSchool. This is a web-based system with a mobile app option that is intended to provide parents and students with a tool to review student progress. An important feature in PowerSchool is parent/guardian access. This feature offers real-time access to attendance, class information and the option to update student information easily. Students in grades 3-12 also have the ability to view current grades.

PowerSchool also offers parents a single sign on method so they have the ability to link multiple student accounts together and access the accounts via one login and password.

Activity Scheduler: rSchool Calendar

EPS middle and high schools use on an online calendar called rSchool to track all events and activities. rSchool also has an app option for individuals to view their schools rSchool calendar and view events by date or by activity category.

To use the app, download Activity Scheduler in your phone's app store and choose the your school based on the conference they are part of. To view and subscribe to any building's calendar, click [here](#).

For reference, Elkhorn High School and all EPS middle schools are part of the Eastern Mid Conference and Elkhorn South High School is part of the Metro Conference.

Elkhorn Public Schools Policy 507.13—Internet Safety Policy was written in compliance with the Children's Internet Protection Act. Tech Savvy Parent tips are intended to inform and educate parents of technology that may be available to their students. Tips may feature apps that are educational as well as those that may be a cause for concern to parents.

2019 ESHS YEARBOOK SENIOR PHOTO INFORMATION

Dear Class of 2019:

All senior yearbook photos MUST be turned in by 11/2/2018 (Friday, Nov. 2)

(Seniors ads/dedications will be due 11/19/2018. More information to come regarding this.)

PHOTOS MUST BE:

- Actual file, no screenshot
(preferred 300 dpi)
- Digital JPEG, TIFF
- Vertical
- Color photo
- Head and shoulders ONLY (no hats)
- No hands/legs
- No props/pets/others in photos
- No logos on clothing
- No revealing clothing
- No distracting background

STEPS:

- ❑ Submit one photo digitally, either on a CD or via e-mail: jsinclair@epsne.org. We are all digital. Photos we scan will not have the same picture quality as photos submitted digitally. Photos may also come directly from the photographer.
- ❑ Submit the same photo to editor@dcpostgazette.com for inclusion in the DC Post Gazette spring graduation issue.

**Any photos submitted AFTER Nov. 2, may not be included in the yearbook, but we can use the Lifetouch photo taken, or the yearbook staff will take a photo of your student. If you have any questions or unique circumstances regarding this deadline, please email me at jsinclair@epsne.org; we can work out a plan to get a photo in the book!*

*****IMPORTANT*****

YEARBOOK PHOTOS SUBMITTED ARE ONLY FOR YEARBOOK. We cannot give your photo out to other publications. If you wish to submit a photo for publication in the senior edition of the Douglas County Post Gazette for their graduation issue, you will need to do that separately (as noted in step 2 above). When I confirm that I got your yearbook photo this fall, I will reply that you please send the photo to the paper, too. Please email the photo to editor@dcpostgazette.com or drop off a hard copy at the DC Post Gazette by the deadline above.

Sincerely,

Jen Sinclair, Yearbook adviser

As senior parents, you will find there are many opportunities to recognize your son or daughter. We hope you will keep in mind his or her senior tribute for the 2019 Yearbook. Please continue reading if you'd like to purchase a yearbook tribute/ad for your senior! These appear in the back of the yearbook.

DEADLINE ~ Nov. 19, 2018 ~ DEADLINE

In an effort to streamline our process, order your ad **online** this year, and **you will save \$10**. Mailed checks and orders containing photos needing to be scanned by our yearbook staff will be charged the mailed-in cost listed below. Please use the order form on the back of this ad if you choose to submit your ad via check and hard copy of photos.

FAQ: CAN I EMAIL YOU THE PHOTOS AND MESSAGE, BUT ORDER ONLINE? YES. And doing this will save the \$10 as well. Only when you mail in a check and photos that need to be scanned will you be charged the extra price.
