From the High School Principal- Mark Kalvoda

As we move into the winter months, the students and staff of Elkhorn South eagerly anticipate the start of the second semester and the excitement that comes with it. The first semester has been full of opportunities, successes, and learning experiences. Our students have faced adversity and challenges, but have persevered. Second semester offers new challenges and new experiences, but also affords students a fresh start if needed.

At the conclusion of the 1st Quarter, ESHS proudly honored students for achieving 3.25 and above grade point averages. Of the 853 Honor Roll students, 315 achieved 4.0 GPA's for the first quarter. On November 1st, ESHS paused from the normal schedule to honor these high achieving students with the ESHS Honors Convocation. In addition to celebrating the Honor Roll students, ESHS teachers also nominated students for Elkhorn Excellence awards. 54 students were awarded Elkhorn Excellence Awards for showing extreme effort, exemplifying strong integrity, having first-class character or going out of their way to assist others... essentially Elkhorn Excellence awards are designed to honor those students who make ESHS a better place to be. As principal at ESHS, I am very proud of our students' efforts so far this year and enjoy taking a moment from the typical day to give them an Elkhorn South Excellence t-shirt and to personally thank them for their contributions to the culture of high expectations here at Elkhorn South.

In the winter months, it is common to see more student absences due to illnesses, family trips and the like. We speak frequently with our students about the importance of instructional time and generally see a dip in achievement from students who miss class time. Instructional time is paramount to student success and nearly impossible to replicate outside of the classroom. Please be thoughtful in planning family vacations and other extended absences from school. In the best interest of students' educational achievement, please plan vacations and family trips around the school calendar whenever possible and encourage your students to strive for perfect attendance. The average Elkhorn South student missed just over six days of school and we were proud to honor 28 students with perfect attendance for the entire 2017-18 school year. Please reflect upon your student's attendance in comparison to our averages here at ESHS.

In the event that your child misses school for a professional appointment, such as orthodontist, physician or the like, please provide the school with documentation of this appointment when your student returns to school. This proactive piece of record-keeping will serve invaluable if your student exceeds eight absences per semester. Thank you for your cooperation.

Elkhorn South will have finals week to conclude the first semester. Cumulative final exams are an integral part of assessing student learning and simulate the college finals experience. In order to protect the integrity of the exams which are aligned across departments in both high schools, **no finals will be proctored before the assigned times**. Please make every attempt to ensure that your student is present for finals week to fully prepare and achieve at the highest levels. Please contact the administration in the extreme case that your student will not be in school for finals.

Semester finals will be on Thursday, December 20th and Friday, December 21st. Students will take semester finals in periods 1,3,5 on Thursday and periods 2, 4, 6, 7 on Friday. Please note that these are full days with **no early dismissal times**. Students will have preparatory time built into this two day adjusted schedule, but please also communicate with your student the importance of being prepared for the cumulative final exams. **Students may not be called out during finals periods, even if they are finished with their exam. Students are expected to be at school all seven periods both finals days.** Please encourage your student to utilize study periods on finals days and help us curb students signing out during these periods. Thank you for your cooperation.

****Please Note-** No School for students on Friday, January 4th for teacher in-service day. Second semester begins Monday, January 7^h.

If you would like to contact me to discuss concerns, ask questions or comment, please call me at 289-0616 or email me at mkalvoda@epsne.org.

Happy Holidays,

Mark Kalvoda
Principal
Elkhorn South High School

SAVE THE DATE: APRIL 2nd

The ACT will be given at no cost to students in 11th grade, and results can be used to meet admission requirements for most 4-year and community colleges. Below are a few highlights of our initial planning.

Tuesday, APRIL 2nd

- 9th and 10th grade students will take the PreACT test in the morning, with a likely early dismissal for the afternoon. Lunch will not be served.
- ALL 11th grade students need to be in attendance to take the ACT, with an early dismissal for afternoon. Lunch will not be served.
- 12th grade students will not report to school. Seniors are encouraged to participate in community service activities, but plans for the day will be a family decision.

We will continue to communicate additional information as plans are finalized. For now, we ask families to save the date and avoid travel or appointments for April 2nd. Elkhorn South is very pleased that the state is offering this ACT opportunity for all students and we believe it is our obligation to help students reach their ACT goals.

JUNIOR AUDITS

December-February, each junior will meet individually with his/her counselor to go over graduation progress, course discussions for senior year, and college planning. Juniors are strongly encouraged to access their Naviance account to aid with exploration and decision-making.

Junior College Entrance Testing

A common question from junior parents this time of year centers around when juniors should take the ACT. Most students test two or three times before they graduate.

ACT will be administered to ALL juniors on Tuesday, April 2. ACT offers Saturday test dates February 9, April 13, June 8, and July 13. For many juniors, the April 2 test date may be the only time the student tests during their junior year. Others may want to consider taking the February, June, or July test. For advice on what is most appropriate please contact your counselor. Register for Saturday tests at www.actstudent.org. Deadlines are approximately one month prior to the test date and are found on ACT's website.

Score Reporting

It is the student's responsibility to submit test scores to colleges of choice. Upon registration, students select up to 4 colleges to receive test scores. To avoid paying to send your scores later, please ensure you select 4 colleges of your choice at the time of registration.

Test Prep Resources

Use Naviance ACT Test Prep. Full length practice tests available in the counseling center. Visit the Counseling Center website (www.elkhornweb.org), click on Elkhorn South High School, Counseling Center, Testing, Test Prep Resources or see your counselor for more information on test prep resources/classes.

Applications

Ideally applications should be completed before winter break. Check deadlines! The counseling center is closed over Winter Break, so all transcript requests must be made prior to Winter Break if you are working on a Jan. 1 deadline. When completing applications, double check all things needed. Check if a separate application for scholarships is required. Don't hesitate to call the admissions office or see your counselor with questions.

Scholarships

Check Naviance – www.student.naviance.com/elkhorn. There will be many new scholarships posted in December and January. All students planning on attending a 2-year or 4-year school should be looking.

College Financial Aid Forms (FAFSA)

Colleges will use your FAFSA results to determine how much they will award you in financial aid. FAFSA opened October 1, so senior families should be working on this NOW. To estimate your FAFSA results, use the *College Funding Estimator* at EducationQuest.org.

THE PARENT'S ROLE IN ATHLETICS- "What is appropriate parental support?"

News Article-"Tips for Parents"

Parents are vitally important in the development of their son's or daughters athletic involvement. Their trust, support, counseling, and physical presence helps to create the support base student athletes need in order to compete both mentally and physically throughout the season. Parent support, appropriately utilized, is a strong booster of confidence for athletes, increases loyalty and enthusiasm for the athlete, and is a vital asset for any coach.

One of the most important support actions for parents is to encourage and assist players and coaches to help themselves when solving problems during the season. Parents should know problems can and do occur during the season and accept that aspect of competitive athletics. Throughout the season, parents must give total support to the coach and to the athletic program, just as athletes must

give 100% of their loyalty to their program and coach. If problems do occur, parents should allow the athlete and the coach the opportunity to work through problems. If parents show disloyalty to the coach or the program, they transmit the negative message to their children that the athletic program and/or the coach is now somehow incorrect, and immediately the athlete is placed in a situation where it becomes a right vs. wrong decision, and at a minimum, produces a “grey area” with many question marks.

We have all been placed in these situations, and sometimes it's tough to see your child fail. Most of us would agree, however, that in the long run, things normally work out for the best. Please help your student/athlete to make good decisions about problems and to correctly handle the many questions that arise during any sports season. Remember the phrase, "Alone we can do so little, together we can accomplish so much."

TECH SAVVY PARENT TIPS

Cyberbullying: Tips and Tricks for Kids

Cyberbullying is defined as using technology or electronics to bully an individual via the sending of intimidating messages. Given the popularity of online social media, most students have, or will, experience cyberbullying.

Below are 5 tips you can share with your child if they encounter cyberbullying:

Don't respond or retaliate

Block the bully, including phone numbers, screen names, and email addresses

Save the evidence

Report on the platform where cyberbullying is experienced, as most social sites include a "report abuse" feature

Tell a trusted adult

Thank you to our awesome health screen volunteers. We couldn't have done it without you! If your child had results that indicated a need for further evaluation, you should be receiving those referrals in the mail. Please return a copy of the completed referral, so I can update your student's health information. Thank you! As we head into the winter months, we see an increase in cold and flu symptoms. Please keep your child home if they have a fever of 100* or greater, vomiting/diarrhea, persistent cough, unknown rashes, pink eye, or in general not feeling well. This helps your child get well faster, and helps reduce the spread of germs.

NHS BLOOD DRIVE:

Did you know that every 2 seconds someone in the U.S. needs blood? Or that having a safe blood supply on hand literally saves the lives of thousands of people every day? Those needing blood could be victims of an accident or have a disease such as Cancer or Sickle Cell. On Friday, November 16th The National Honor Society hosted a blood drive at Elkhorn South where 102 pints of blood were donated, saving up to 306 lives. Thank you to everyone who participated, your contribution will make a difference in someone's life. If you want to know more about donating blood, where you can go to donate here in Omaha and how we as High School students can save lives visit redcrossblood.org.

THANK YOU

To all the parent volunteers who assisted with the Health Screening, we greatly appreciate you taking the time to serve the students at Elkhorn South High School. We could not have done this without you!
