Expectations for Members of ESHS National Honor Society

Membership in the Elkhorn South High School Chapter of the National Honor Society involves commitment on the part of its members. Because it is a service organization, NHS requires involvement and cooperation. This means that one must have the time, the interest and the desire to provide service to others in both this school and this community. In order to maintain the ideals of excellence in scholarship, leadership, character, and service, all members of the NHS must exert a positive influence both inside and outside of the classroom. In addition, members must maintain a cumulative GPA of 3.5 or higher.

Students interested in membership should seriously consider the responsibility attached to the privilege of membership. In accordance with this philosophy, a meeting will be held shortly after induction to discuss the specific time commitments and service requirements established by the Faculty Council.

If selected as a member of the Elkhorn South High School Chapter of the National Honor Society, I agree to be an active participant in all aspects of the organization. I realize that my membership is a privilege and is subject to review and possible revocation by the faculty council should I fail to maintain membership requirements.
