Volume 10 Issue 2

Parents and Guardians of Elkhorn South Students:

I hope that your students and families are now settled back into the routine of the school year. From my office, the year has started extremely well and I believe this trend will continue.

Parent Teacher Conferences:

**Tuesday, September 24th and
Wednesday, September 25th**

5:00 pm - 9:00 pm

There will be a 1 hour early dismissal at 2:20 pm on these two days.

A Glance at 2018-19 Elkhorn South Data

Elkhorn South administrators and teachers closely monitor numerous sources of data in order to ensure that our curriculum is appropriately challenging and meeting the needs of our students. Annually, we eagerly await the ACT Report and the Advanced Placement (AP) scores that are released in late summer to early fall. These measures are not the only feedback we study, but we believe these are important indicators in judging the effectiveness of our academic programs at the high school and are meaningful for our students.

Junior ACT Data

Unfortunately as of 8/30/19, schools have not yet received ACT School Profile Reports. When both our Junior State ACT scores and Graduating Class of 2019 scores are available, I will share with parents.

AP Test Data

Elkhorn South offers sixteen AP courses in our Sophomore, Junior and Senior course offerings:

<u>AP Science Courses</u>	<u>AP Math Courses</u>	<u>AP English Courses</u>	<u>AP Social Science Courses</u>	<u>AP World Language Courses</u>
AP Biology	AP Calculus AB	AP English Language and Composition	AP World History	AP Spanish Language and Culture
AP Chemistry	AP Calculus BC	AP English Literature and Composition	AP US History	AP French Language and Culture
AP Physics 1	AP Statistics		AP Psychology	AP Japanese Language and Culture
	AP Computer Science A		AP US Government and Politics	

AP courses are designed to give students college level experiences while in the supportive environment of high school and research clearly supports students taking the most appropriately rigorous courses in high school to prepare for college. In essence, one of ESHS's goals is for students to not only gain admittance into college, but to achieve at high levels once there. We believe that there is a substantial difference between being **COLLEGE ELIGIBLE and COLLEGE READY**.

When studying AP results, two indicators must be considered: the number of students taking the exams and the number of students that score successfully on the test. AP defines success as an exam score of "3" or higher, which research finds to be a predictor of college success. Below is a summation of Elkhorn South's AP test scores takers and scores for last year. During the 2018-19 School year, 234 of the 313 Seniors (75%) and 211 of the 308 Juniors (69%) are enrolled in at least one AP Class. During the 2018-19 school year, ESHS administered a record high number of exams (860) to record high number of students (495) and 77% of all exams taken earned a score of 3 or better. We are extremely proud of our students and their desire to be college and career ready! Special congratulations to ESHS's AP Scholars highlighted in the Counseling Center Section of this newsletter!

<u>Total</u>	<u>1</u> <u>No</u> <u>Recommendation</u>	<u>2</u> <u>Possibly</u> <u>Qualified</u>	<u>3</u> <u>Qualified</u>	<u>4</u> <u>Well</u> <u>Qualified</u>	<u>5</u> <u>Extremely well</u> <u>qualified</u>	<u>Total</u> <u>Exams</u>
# of Exams	28	175	267	238	152	860
% of Total Exams	3%	20%	31%	28%	18%	100%
# of AP Students	28	148	212	189	95	

As we discuss with our staff annually, academic growth does not happen by accident. Development is earned through hard-work and perseverance of our students, staff and parents. We also emphasize the importance of challenging students to take classes that are appropriately rigorous to spur academic growth and curiosity. We believe that asking anything less than what our students are capable of leads to short-term success, but long-term failure.

Again, I hope that your student's 2019-20 school year is off to a great start and as always, please email or call me if I can be of assistance to your family.

Take Care,
Mark

MILITARY RECRUITER CONTACTS

Parents of Juniors and Seniors: In accordance with the No Child Left Behind Act, Elkhorn Public Schools is required to release contact information of all Juniors and Seniors to military recruiters. ATTENDANCE AND TARDY POLICY REMINDERS

- We understand that sometimes situations arise that cause students to be tardy to school, thus there are no consequences for the first two times students are late. Therefore there is *no such thing as an excused tardy* without documentation from a professional appointment.
- Students are considered tardy when they arrive to school after the 8:10am bell. ***Students are considered absent, if they arrive after 8:25am.***
- Please call ahead to the attendance secretary for your student's scheduled appointments. If ample time is given, we can have the student awaiting you in the main office.
- ESHS is a closed campus and students are not permitted to leave for lunch. The practice of excusing students to go out for lunch creates disruption to the school day and is unnecessary.

Reminders From Your School Nurse...

We want to take great care of your student, and one way to help us do that is to provide the health office with current health information.

If your student has any health needs such as Asthma, Severe Allergy, Diabetes, Seizures, etc we **must** have an *action plan on file that is signed by the doctor and the parent. This information is very important, so we know exactly what is best to do for your student, in the event of an emergency. Please remember if your student has any medications such as an inhaler, Epi-Pen, Benedryl, etc to be used in an emergency situation, we need to have those available at school, with a signed medication authorization, so trained staff can administer.*

If your student requires **any** medication while at school, this includes all prescription and/or all over-the-counter (e.g. ibuprofen, acetaminophen, cough drops, etc) ALL MEDICATION requires a medication authorization, signed by the physician and the parent. All medication must be unexpired and provided in the original store packaging or pharmacy labeled container to the health office.

Links to blank forms, or your doctor may use their preferred version.

Student Handbook Highlight: DRESS CODE

As summer seems to be extending itself, it is worthy to review handbook guidelines regarding dress and appearance. "The high school dress code is one of common sense, parental approval, and personal pride...Clothing is not to be too tight, too short, too bare or so extreme as to be immodest." Under these parameters, the chest, buttocks, and midriff should be covered at all times. Additionally, clothing displaying or referencing drugs, tobacco, alcohol, sexual innuendo or nudity are not permissible. Students in violation of this will be asked to change and may be sent home for a change of clothing. Please help us in preventing this loss of instructional time by assuring your student is making appropriate and prideful clothing choices before leaving home.

Current juniors will meet with counselors in their English classrooms along with individual sessions to select their senior classes. Junior Audits will be facilitated individually with counselors later in the year to review credits, discuss post-secondary plans, and reaffirm senior class selections match progress toward graduation.

Welcome Elkhorn South Fans!

The 2019-2020 school year is ready to go, and the ESHS Activities Department would like to invite each of you to attend one of our many contests in either athletic or extra-curricular events.

Adult Athletic passes are available in the Activities Office for \$55.00 each. This pass will enable a patron to attend all ESHS home activities for the school year, with the exception of Metro Conference and District (NSAA) level events. Student activity passes are \$35.00 each, and must be purchased by all athletes in grades 7-12. Students will receive a photo activity pass upon payment of this fund. Funds raised by the sale of activity tickets will be used to reduce the general fund contributions to the activities fund and to add revenue to the activities fund to meet the rising costs for athletic programs. Your support is greatly appreciated.

Admission prices for this year will be **\$6.00 for adults, and \$4.00 for students** for all varsity contests. **\$5.00 for adults and \$3.00 for students** at all lower level contests.

SPORTSMANSHIP AT GAMES IS AN EXPECTATION OF OUR COACHES, PLAYERS, AND FANS!

IMPORTANT FAQ's Regarding Activities/Athletics

I have compiled the ten most frequently asked questions that occur during the school year. Hopefully this may aid in the communication between the school and your home.

- 1. Academic Requirements.** Elkhorn Public Schools uses the same set of standards for all extra-curricular programs. This standard follows the NSAA rule of 20 credit hours passed the previous semester. This is the equivalent of 4 full-time classes passed. This rule applies to ALL extra-curricular groups at EHS.
- 2. Activities Code.** Training rules violations are *cumulative for each school year*. *Example: A student who is in violation during the winter sports season has one strike against them. If the same student then violates a second time during either the same or another season that they are a participant, they then have a second strike applied. These rules apply to all 7-12th grade activities participants. Please refer to the EPS Activities Handbook for more complete information.*
- 3. Attendance.** On a normal school day, students must be in attendance for a 1/2 day immediately prior to the scheduled game or practice. For example, this would mean a student would need to be in attendance at **the start of 5th hour** at the HS building. Professional appointments are EXCUSED. See your head coach, or contact the A.D. office for more specific expectations.

4. Activity Fee. All participants in MS and HS sports programs are required to pay the \$35 student activity fee. All students are encouraged to purchase this same activity ticket the opening week of school, as it is their free pass to attend all Elkhorn contests at no charge.

5. Forms-Clearance to participate. Available to complete online at: www.elkhornweb.org/storm - rSchool Online Forms. Complete online along with the \$35 activity fee prior to beginning practices or conditioning.

6. Lettering & Letter Jackets. The E-Club will give each student their initial athletic letter, complimentary, at the completion of the season for which they participated. Each coach has specific standards for lettering requirements. Parents may purchase letter jackets, patches, chevron's and pins from local sporting goods suppliers. ESHS has a specific form you can take to the sporting goods store to insure they complete your jacket correctly. These forms are available in the AD office.

7. Domicile Rule. Students MUST live in the Elkhorn School District to be eligible. Any student living outside the district boundaries must complete transfer information with Dr. Bary Habrock, Superintendent of Schools.

8. Off-Season Programs. Please see your head coach prior to participation in any outside programs. Elkhorn South High School will obviously support in-season programs FIRST. No students may "work out" on their own in any EPS facility. Supervision is required due to liability reasons.

9. What time does the game start? Unfortunately when battling Mother Nature, she usually wins! For the most current and up-to-date information, please check our information at: www.mhsaaconference.org Please navigate your way to whichever sport and level of play you are interested in!

ATHLETIC FORMS AND REGISTRATION NOW AVAILABLE ONLINE thru rSchool Today! – Go to: www.elkhornweb.org/storm - Activities - Forms

rSchool Instructions are available for ESHS, EVV, and ERMS students. Fill these out and you only have to update each year.

STUDENT and FAN DECORUM AT HOME FB GAMES at EPS Stadium

1. Student and fan decorum should at all times reflect good sportsmanship. This is the number one expectation. Please follow all NSAA and ESHS sportsmanship guidelines.
2. Traffic at Elkhorn Stadium will be heavy. The designated drop off and pick-up zone is at the front doors (**by the Flagpole**) of Elkhorn High School.
3. No drinks are allowed to be brought into the stadium.
4. Students in grades PreK-8 are required to sit either with their parents or in Section A (farthest north section) in the designated rows.
5. Students should at all times remain in the stadium. The track and the unfenced hill areas are off limits at all times.
6. Students are to remain seated during the games with a minimum of walking (not running) back and forth to other areas in the stadium complex such as the concession stand and restrooms.

7. No balls or similar projectiles (e.g. footballs, nerf balls, tennis balls) are allowed in the stadium and may be confiscated if brought to the stadium and thrown. Students who throw items in the stands may be escorted out. **Artificial noisemakers are prohibited!** and could result in an unsportsmanlike penalty for the team.
8. No loitering in the parking lot. The lights will be turned off soon after the end of the game and all fans should clear the parking lot as soon as possible.
9. Students leaving the stadium during the game will not be readmitted to the stadium.
10. The stadium and all school district grounds are smoke-free, tobacco free areas at all times.
11. Students failing to follow these guidelines or who fail to follow the directions of **Supervisors/ Stadium Security** will be escorted out of the stadium and asked to leave.

Literature will include the 1818 version of Mary Shelley's *Frankenstein*, and selected shorter works. *Anyone interested in participating in Academic Decathlon needs to contact Ms. Anderson at abrooner@epsne.org ASAP for more information. Any student interested in pursuing a career in healthcare should attend. This year's topics cover various concepts of the medical field. This is a great activity that will work in conjunction with other sports and club schedules AND looks great on a college resume. Practice tests and study materials are administered via google classroom (B6TL5ST).*

Robotics

The VEX challenge this year is *Tower Takeover* (see <https://www.vexrobotics.com/vexedr>). We extend a grateful thank you to Elkhorn Public Schools Foundation for their generous financial support. Any questions please contact Mrs. Johnson (kjohnson@epsne.org) or Mr. Jackson (cjackson@epsne.org).

Dear Parent/Guardian:

It is time to start thinking about this year's book of memories! For the sixth year in a row, we are offering an easy way for parents and students to purchase yearbooks--online.

1. Go to the website (www.yearbookforever.com)
2. Type in the school name under "select your school," and the steps will guide you through your purchase.

If you are unable to use the website or are uncomfortable with that process, you can send cash or check (for the appropriate amount from the timeline above) and list your student's name somewhere on the check. Your student can drop it off in D015 OR mail it to Elkhorn South High School, ATTN: Yearbook. Receipts for on-line sales will be automatically sent electronically. If purchasing with check or cash, receipts are printed upon request. ***We do not sell our books at the fall open house.**

Our yearbook staff has already spent numerous hours getting ready for the 2020 book. We have an amazing staff of great people who are ready to document the moments of the year in this keepsake you need on your shelf forever.

Thank you very much!

ONLINE CALENDARS INFORMATION

EPS provides several different ways for parents to stay connected throughout the school year!

Stay in-the-know on upcoming events by subscribing to individual building calendars found at <https://www.elkhornweb.org/calendar/>.

SCHOOLMESSENGER MESSAGING AND ALERT SYSTEM

Both the District and individual buildings regularly use a parent messaging system called SchoolMessenger to send emails and phone calls to parents such as monthly updates about building happenings and weather-related school closings.

SchoolMessenger also allows recipients the option to “unsubscribe” from its mailing list; please understand that by “unsubscribing” you are completely removing your email address from ALL lists, including both District and building specific emails. If you choose to Unsubscribe, you will not receive weather-related cancellation information.

If at any time you unsubscribe then later decide you would like to begin receiving emails again, please let your building secretary know.
