ESHS Cheer Tryouts for 2018-2019 Season

A mandatory meeting for all parents and interested students will be held on Tuesday April 3rd at 6:00 pm in the ESHS commons. 8th grade parents please plan to arrive on April 3rd at 5:45 pm so we can discuss the process for 8th graders teacher recommendations.

The Dates of Tryouts: April 9th-13th will be tryout practices from 3:30-5:00 after school in the gym. Thursday will be practice and then mock tryouts from 5:00-6:00pm.

The tryout will be held in the auditorium on Friday April 13th immediately following school. Cheerleaders will be informed of rules and guidelines for the team, what to wear to tryouts, and how to prepare at the upcoming meetings and tryout practices.

Feel free to contact Brooke Blythe at bblythe@epsne.org, Brittney Logue at blogue@epsne.org or Rachael Mimick at rmimick@epsne.org with any questions. We are very excited about the upcoming season and hope to see you cheering on the STORM!

Tech Tips for Building Newsletters – March 2018

‘Cookies’ and Targeted Advertising

The ads you see when you search the web aren't by chance—your browser is using your cookies, or bits of data sent from the websites you visit, to collect and store data about you. Websites also track your search history, purchase history and profile information you provide to send targeted advertising as you browse the web. It is important to periodically clear your cookies, cache and search history from your browser to ensure your device is running as fast and secure as possible.

Time Savers

For students, procrastination generally takes on the form of “multitasking”, which often leads to distractions and wasted time. In order to curb this occurrence prior to it becoming a bad habit that will move with them into adulthood, take a look at a few options for apps and plug-ins that help reduce the instances of this current trend.

RescueTime: this plug-in tracks how much time is being spent on specific sites and generates reports showing the results. By reviewing these reports, you and your child can see exactly where the majority of their time is being wasted.

Work Mode: *Work Mode* blocks access to all social media feeds during any time frame that the plug-in is turned on. What better way to ensure your child is focused solely on the task at hand than by making the distractions they typically default to inaccessible during the time they need to be focusing on other important things?

For more information on these and other time saving apps and plug-ins, please visit www.commonsemmedia.org.
