Principal's Note:

A big thank you to everyone who participated in the Elkhorn Celebration of Giving. We were able to help many local families and make their holidays more joyous! We also want to thank our families for your generous donations during the canned food drive. We donated over 1,000 food items to the food pantry which again will help many families in our community.

We are blessed beyond measure for the support given to our staff, students and community. The lesson of "giving to others" will stay with our children for a lifetime.

LOST AND FOUND

Are you missing any coats, hats, gloves, shoes, sweatshirts etc ?

Our lost and found is overflowing and will be taken to Open Door Mission on January 31st.

Each class will be looking for missing items but parents are welcome to stop by and check it out!

In or Out?

This is a question asked several times during the winter months. The district guideline for elementary buildings is to go out if it at least 15 degrees with or without the wind-chill. At times, there are conditions that call for an exception. For example, if we have been inside for several days and the temperature with the wind-chill figured in is 14 degrees, we may go out. On the other hand, if the temperature is 20 degrees, but we have new ice that has formed due to melting and refreezing we may stay inside. Please send your children to school with hats, gloves and boots when needed!
