From our Fabulous PTO

Parents, enjoy a night off making dinner and take your kids to the Red Robin at 144th and Maple on Tuesday March 6, 2018 and help earn the Hillrise Elementary PTO 20% of your bill when you dine between 4-8pm. Please bring in the attached flyer or show it to your server at the time of payment. We've had some great turnouts this year so lets keep it up and make this one a fun event. Maybe invite another family and enjoy good food and fellowship with friends and family all for a good cause. We hope to see you there!

Congratulations to this week's Allstar winners:

Dear Parents and Families:

Reading for pleasure unlocks the power of information and imagination and helps children discover who they are. Here's what you can do to help children develop stronger reading skills and a love for reading:

- Set the example. Let children see you read.
- Have a collection of books in your home. Update this collection routinely to keep pace with changing tastes and reading skills.
- **Support our school's Book Fair. Allow your children to choose their own books to read.**

Our Scholastic Book Fair is a reading event that brings the books kids want to read right into our school. It's a wonderful selection of engaging and affordable books for every reading level. Please make plans to visit our Book Fair and be involved in shaping your child's reading habits.

Book Fair Dates: March 7, 9, 12 & 13th from 3:06 p.m. to 4:00 p.m.
 March 8th from 3:06 p.m. to 8:00 p.m.
 March 14th closes at 12:00 (parents only)

We would especially love to see you on March 8th when our school will host a "Grandparents & Special Friends Event" from 6:30 p.m. to 8:00 p.m.

We look forward to seeing you and your family at our Book Fair! Remember, all purchases benefit our school.

Sincerely,

Deb Madden
Hillrise Principal

Tech Tips for Building Newsletters – March 2018

‘Cookies’ and Targeted Advertising

The ads you see when you search the web aren't by chance—your browser is using your cookies, or bits of data sent from the websites you visit, to collect and store data about you. Websites also track your search history, purchase history and profile information you provide to send targeted advertising as you browse the web. It is important to periodically clear your cookies, cache and search history from your browser to ensure your device is running as fast and secure as possible.

Time Savers

For students, procrastination generally takes on the form of “multitasking”, which often leads to distractions and wasted time. In order to curb this occurrence prior to it becoming a bad habit that will move with them into adulthood, take a look at a few options for apps and plug-ins that help reduce the instances of this current trend.

RescueTime: this plug-in tracks how much time is being spent on specific sites and generates reports showing the results. By reviewing these reports, you and your child can see exactly where the majority of their time is being wasted.

Work Mode: *Work Mode* blocks access to all social media feeds during any time frame that the plug-in is turned on. What better way to ensure your child is focused solely on the task at hand than by making the distractions they typically default to inaccessible during the time they need to be focusing on other important things?

For more information on these and other time saving apps and plug-ins, please visit www.commonensemedia.org.
