Hillrise Huskies...Teamwork Makes the Dream Work!

Happy Thursday Hillrise Families!

We have so many fun activities coming up for the last several weeks! Please be sure to look to the right for upcoming events! Carnival is just around the corner! Have a great weekend! Deb

Message from the PTO Carnival Committee:

The PTO Carnival Committee is hard at work putting together the final details of the big event on Friday, April 27 from 5-8 pm. In order to make the carnival happen, we need volunteer/family support.

We have created SHORTER shifts this year, and we have assigned those shifts by grade level so we can fill the spots. We are asking that each family that can attend to please supply one qualified volunteer (some have age requirements), to fill that hour shift (this can also be older kids, neighbors, grandparents, etc). If there are children in multiple grade levels, we understand you may only be able to fill one shift. If a specific shift happens to fill, please look to other gaps that need help. Here is the break down

5-6 pm: 4th & 5th grade families

6-7 pm: 3rd & 2nd grade families

7-8 pm: Kindergarten & 1st grade families

FUN NOTE: Every filled spot gets their name in a drawing for a \$25 gift card!
