HALLOWEEN 2020 We are excited to see the children in their costumes and our teachers are planning activities to enjoy in class on **Friday Oct. 30th!** There are a few changes but we are working to make this big day as normal as possible for our students. PTO will provide classroom snacks that are safe for all to enjoy, please do not send additional class treats. Unfortunately, due to COVID restrictions parents/volunteers will not be invited into the building for classroom parties.

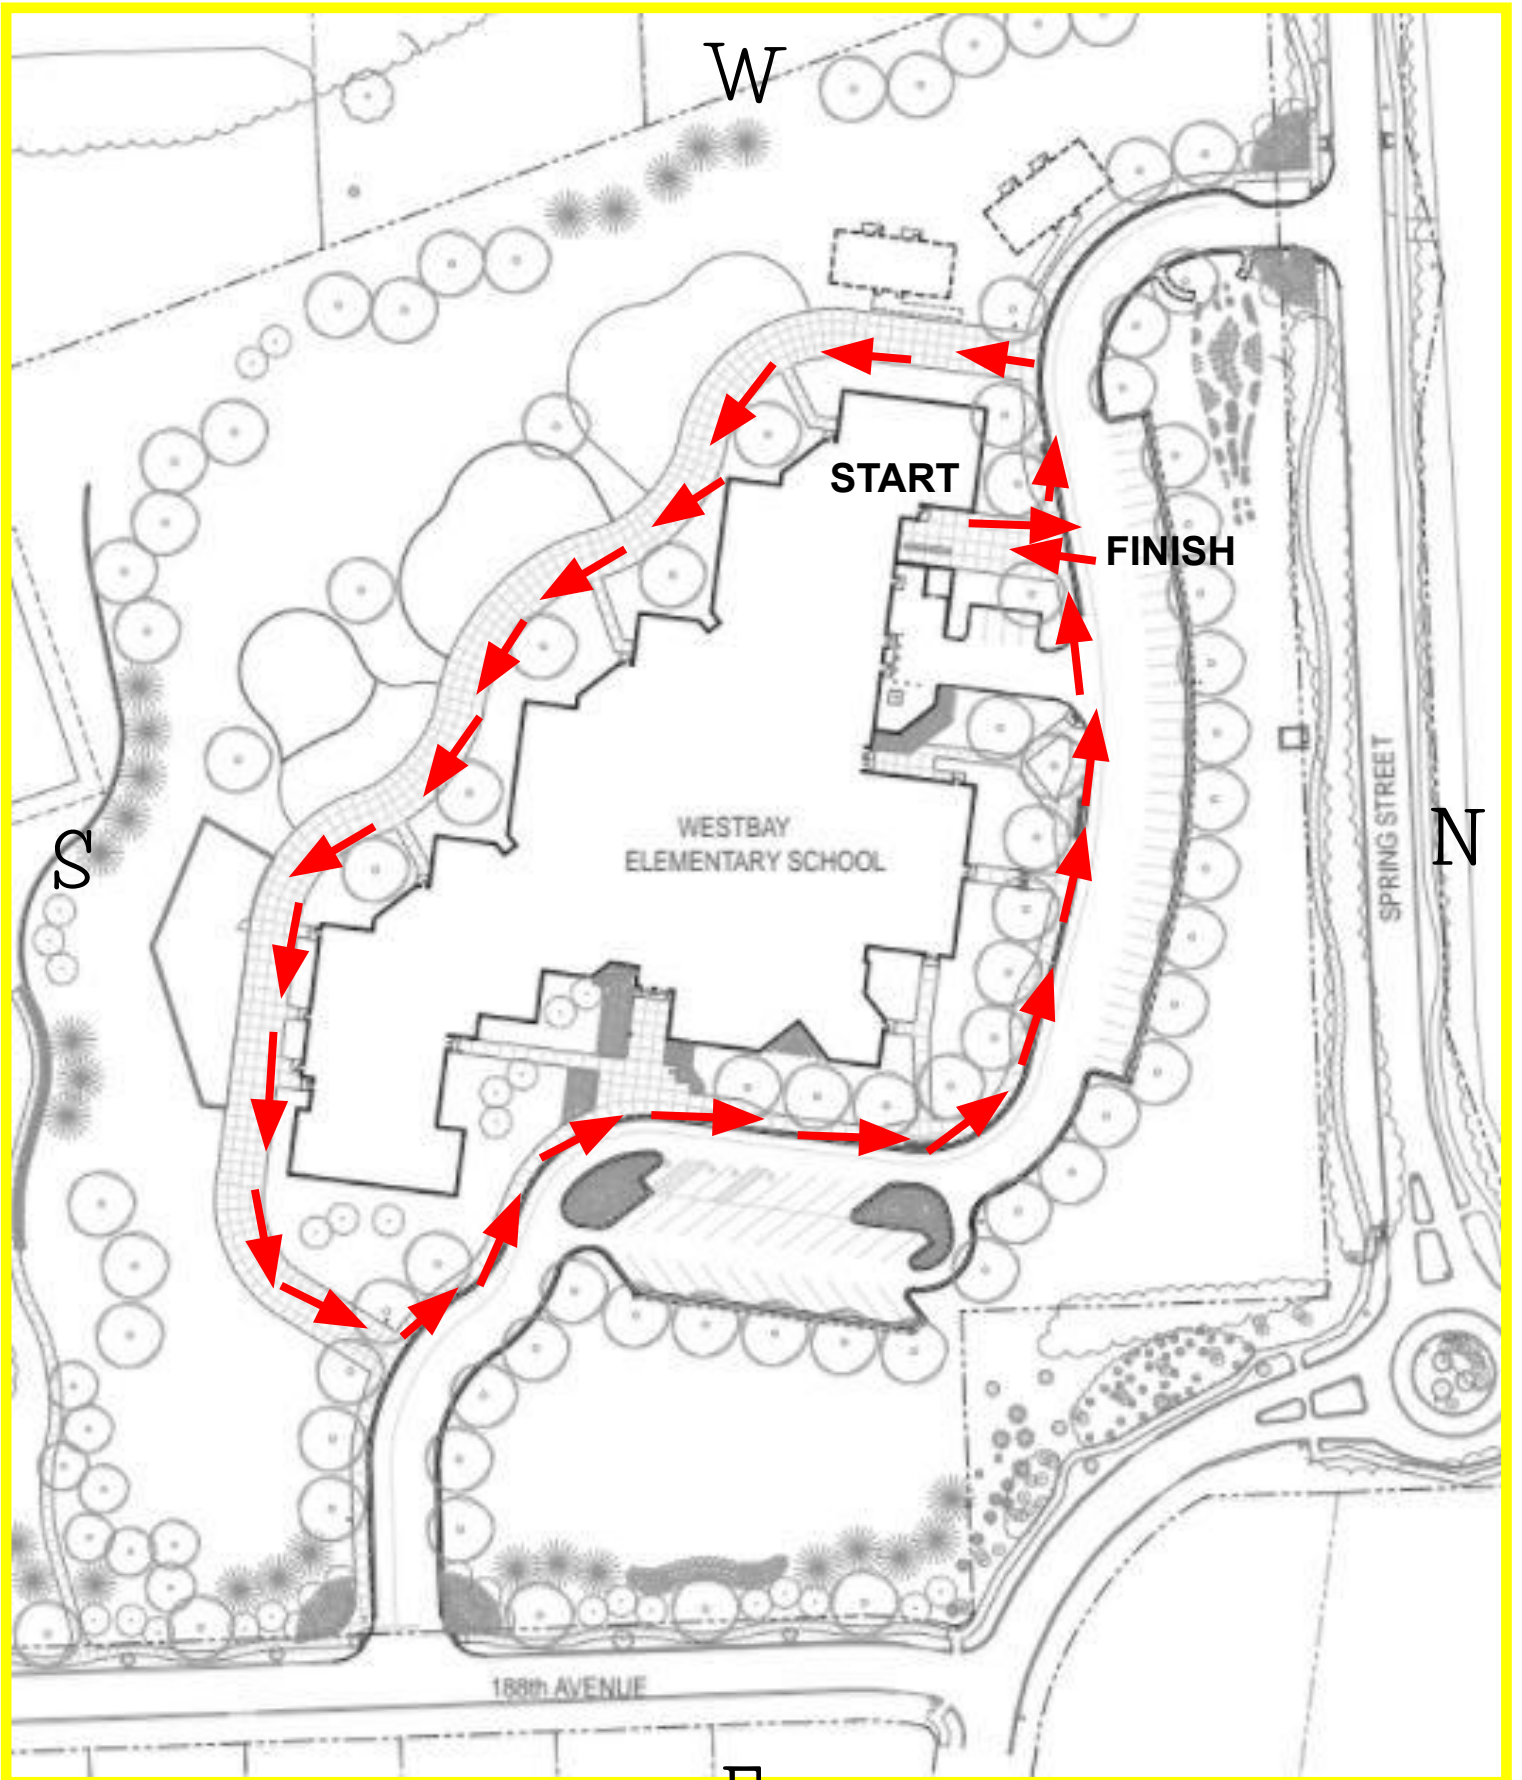

Parade Information: PLEASE READ

We ask everyone to help keep students and staff safe by following these guideline for our parade.

1. Limit the parade spectators to two adults per family and only younger siblings.
2. Spectators must wear face masks and families should socially distance 6 ft apart along the path around the entire building. We will be entering and exiting at fifth grade doors going around the whole building. Please stand back from the sidewalk giving 6ft distance to students and staff in the parade. We want everyone participating to feel safe when walking past!
3. This will be an outdoor parade only, weather permitting. If it's raining or below 20 degrees real feel temp the parade will be canceled and parents will be notified via email.
4. **Parade Times PreK-5 2:30-2:45 (right before dismissal)** Please send costumes with your child to put on later in the day for parade and party.

Please keep our typical Halloween costumes guidelines in mind: No scary masks (blood & gore), offensive costumes, face paints, colored hair sprays or weapons. If you do not feel comfortable in having your child participate in the parade feel free to contact Mrs. Colivet. (jcolivet@epsne.org) We appreciate your support as we work to keep everyone safe, comfortable and happy at school!

TECH SAVVY PARENT TIPS - APPS TO KNOW

Classlink: Elkhorn Public Schools

ClassLink is a single sign-on platform that allows students to use one username and password to access online resources already being used in the classroom, including online textbooks, Moodle courses, and more. ClassLink saves all school related passwords within the security of your ClassLink password

ClassLink is a safe, secure way for students to connect with applications and resources. The website does not collect or share any personal student information, which is important to us. Best of all, it is very easy to use and is a great resource for students and families.

Information about getting started with Classlink for EPS students can be found [here](#).

PowerSchool App

The Elkhorn Public Schools District uses a student information system called PowerSchool. This is a web-based system with a mobile app option that is intended to provide parents and students with a tool to review student progress. An important feature in PowerSchool is parent/guardian access.

This feature offers real-time access to attendance, class information and the option to update student information easily. Students in grades 3-12 also have the ability to view current grades.

PowerSchool also offers parents a single sign on method so they have the ability to link multiple student accounts together and access the accounts via one login and password.

Activity Scheduler: rSchool Calendar

EPS middle and high schools use on an online calendar called rSchool to track all events and activities. rSchool also has an app option for individuals to view their schools rSchool calendar and view events by date or by activity category.

To use the app, download Activity Scheduler in your phone's app store and choose the your school based on the conference they are part of. To view and subscribe to any building's calendar, click [here](#). For reference, Elkhorn High School and all EPS middle schools are part of the Eastern Mid Conference and Elkhorn South High School is part of the Metro Conference.

Having Issues Getting to EPS Online Resources? **Follow the EPS Technology Department on Twitter.** The EPS Technology Department recently created a new Twitter account to help keep parents and students informed of any technology platform outages. Get updates by following [@ElkhornPS_Tech](https://twitter.com/ElkhornPS_Tech) on Twitter.
