Westridge Elementary Mission Statement:

In an effort to create life-long learners, the staff at Westridge Elementary School working closely with parents and community strives to realize each child's fullest potential in the areas of personal, social, intellectual, emotional, and physical development.

Dear Westridge Families,

Thank you to all of you that were able to join us for parent/teacher conferences this week. We always appreciate the opportunity to talk with you and share about your child's progress at school. Open communication between school and home is such an important part of a student's success at school. Thank you for your involvement in your child's education and for your continued support of our school and staff.

Your child brought home two fliers about the Westridge Walkathon on Wednesday. We are very excited to kick off our biggest fundraiser for the year. You can help just by registering your child at <https://www.getmovinfundhub.com/>. You can also track our progress towards reaching our goal of \$15,000. We appreciate all of the donations. We will hold the actual Walkathon on Friday, October 14th.

We will also hold our Fall Parties on Friday, October 28th. More detailed information will be coming home as we get closer to the date. However, students will be allowed to change into costumes for the parties, and we will be having a parade that everyone is welcome to attend.

Thursday, October 20 is the end of the first quarter. Report cards will come on Friday, October 28th.

As always, if you have any questions or concerns, please feel free to give me a call, 402-289-2559.

SCHOOL LUNCH

EPS partners with SchoolPay for student lunch accounts. To add funds, go to www.schoolpay.com and log into your user account. If you do not yet have a SchoolPay account, [instructions to create one can be found by clicking here](#). You will need your child's five digit student ID code to set up the account.

Breakfast is served everyday starting at 7:35. All students are welcome to join us for breakfast and do not need to order ahead of time. Please drop students off at door #3.

Health Screen Volunteers Needed

Nurse Amy needs your help! Volunteers are needed to assist in our annual health screenings. Volunteers will be assisting in taking students' height, weight, hearing, and vision screenings. If you are available, please review the available slots on the link. Thank you!

PAW PRINTS

Hello Westridge Families!

It's Mrs. Harder here, your child(ren)'s Art teacher! I just wanted to send out a brief note to tell you about the Square1Art Fundraiser that your child(ren) have begun participating in this last week of August; and will continue working on for the next couple weeks. Square1Art is a fundraiser that allows you, other family members, friends, and neighbors to purchase various merchandise with your child(ren)'s artwork on it. This fundraiser helps to purchase new and fun art supplies for your child(ren) to use every new year at Westridge. If you choose not to participate, or are unable, not a problem; your child(ren) will still have made an awesome artwork to share with you! I can't wait to see all the wonderful art that your child(ren) create(s), not only for Square1Art, but all year long! More information to come, both home with your child(ren) and in another newsletter! If you have any questions or concerns, please feel free to contact me at oharder@epsne.org.

Thank you!

ENHS FALL CHOIR CONCERT

Thursday, October 20 at 7:00 PM at Elkhorn North High School

Note from the Nurse...

With the beautiful onset of the fall season also comes the unwelcomeness of the cold, flu, and Covid viruses as well as seasonal allergies. Be sure your student is practicing healthy habits like getting plenty of rest, eating healthy foods, drinking plenty of water, good hand washing/sanitizing techniques, and staying up-to-date on immunizations.

*****Also--please be sure to continue to turn in action plans and medications for your students with asthma and severe allergies.*****

Health Screens

The State of Nebraska requires that all K-4th grade students as well as students new to the district be screened for height, weight, vision, hearing, and dental health. The screening at Manchester will be on **Friday, October 7th from 8:30-10:30ish**

Also, please make sure that your student brushes their teeth that morning and that they wear their glasses or contacts if they have them. Thank you!

Happy Fall!
